The Rectory

with Reverend Heather Wilcox

A firm place to stand

It could be said, that in many aspects of life today, we face uncertain and, in some cases, difficult times. The world is troubled, there are tensions rising between nations, distrust, fear and anxiety, which bubbles up into violence.

This last summer has been extremely hot and dry, and we have seen wildfires sweep devastatingly across swathes of land, destroying precious ecosystems, and we are being warned that the El Nino will bring storms and rain this autumn, and potentially an even hotter summer next year.

So, what do we do when life seems difficult?

Whilst walking the Camino, one of my hardest days, was a very steep, rocky descent from the highest point, into the town of Molinaseca, the path was treacherous, and at one point, I found myself walking alone for what seemed like ages, I could see no one in front and no one behind.

I had started the day, reading a couple of verses from Psalm 40:

'I waited patiently for the Lord; he turned to me and heard my cry. He lifted me out of the slimy pit, out of the mud and mire; he set my feet on a rock and gave me a firm place to stand.'

As I walked, I found myself crying out to the Lord, asking him to give me a sign, that I wasn't alone, that if I fell, someone would find me!

Immediately, from behind I heard the familiar and unmistakable sound of a second set of walking poles, it was as if, though not literally, my feet had been set on a rock, and I had been given a firm place to stand. I had the reassurance I needed, that I was not alone, indeed that I am never alone, God is always there, before, behind, beside, above and inside me.

We don't need to feel overwhelmed by the troubles of the world, we just need to wait patiently on the Lord, knowing that he is with us, he has not abandoned us, he will set our feet on the rock and give us a firm place to stand.

May God bless you
Reverend Heather

MERIEL'S REPORT

There is not too much to report from our church for August and September as we had very few services. This was because there were three United Services in August and one in September when we had no services.

I attended all of those services, the first three in which Heather told us of her pilgrimage walk. The services were extremely well organised and Heather's sermons very interesting.

The King's Ridge choir sung at the services and had learned a new and very pretty, communion setting. It is likely to be used at all United services in the future. I think the congregation will soon become familiar with the setting and be able to join in. The Choir also sung an anthem at each service. The choir now has around twenty members (five from Little Horkesley) and is led, very ably, by Elaine and Richard Marshall from Boxted.

After each service, which were all well-attended, there were refreshments. The United service in September was to welcome our new Curate, Dominic Sheil, following his ordination in Chelmsford Cathedral on Saturday, 19th September.

ALTAR FLOWERS - SLIGHTLY SAD NOTE

Every week one of our small band of dedicated people put beautiful flower arrangements in the church. During the period in September, when there were no services, our church was still enhanced by lovely displays by Fionna and Roger.

We had our first service after the break on September 6th. Roger came to the church early to water the arrangements he had done on Saturday only to find that all the beautiful amaryllis had been removed from the arrangement on the Lady Chapel Altar. He was devastated as were the rest of us. They were found in the garden rubbish. He grows all the flowers he uses, just for the church, following the tradition of his parents who did the same for Mile End church. He said he helped them from the age of twelve. He was ready to say he would not do any more flowers in the church which would be a great blow as he does his arrangements for nearly half of the year. If anyone can shed any light on this mystery we would be pleased to know.

BAPTISM

On September 6th Nicola and Alexander Pears brought their baby, Harriet Catherine, to be baptised. They had specifically asked for John Chandler to officiate (and Heather had agreed) as he had conducted their wedding and the baptisms of their two older sons. It really was a delightful occasion, the baby was enchanting, and it was lovely to see John again.

I asked for photos of the event and received these two from Nicola. I think the one with Harriet and the candle is the best Baptism photo I have ever seen.

RIDE AND STRIDE SEPTEMBER 12TH

Again, Fionna Morrison was, as usual, our sole representative on the Ride and Stride. This year she and Anne Auld are going to head to Frinton to walk round all the places of worship. They are doing it later in the month as Fionna is on holiday on the 12th. I am sure she will write a report for the next issue.

As Fionna was away on the day of the Ride and Stride, I put the notices and refreshments in the church in case we had any visitors. We only had one, but I still feel we must prepare in case anyone comes.

Thank you, Fionna and all who sponsored her. 50% of her sponsorship goes to the Friends of Essex Churches and 50% to our church.

OCTOBER 11TH HARVEST FESTIVAL

As usual our Harvest Festival will be celebrated at 6.30 pm on October 12th when we shall again collect items for the Colchester Food Bank. Please be generous with your support. We have an ongoing collection, but this is the time of year for us all to really remember to support this very worthy cause.

The list, to remind you of the items required, and the poster for our Harvest Service can be found on pages 21 and 22.

NOVEMBER 1st ALL SOULS

There will be a list in church for you to enter the name of anyone you would like remembered, with the lighting of candles.

PLEASE NOTE THAT THIS IS AN EVENING SERVICE at 6.30 pm

NOVEMBER 8TH REMEMBRANCE SUNDAY

The Remembrance Service starts, as usual, at 10.50 am.

NOVEMBER 29TH

This is the fifth Sunday in the month and there will be a United Celebration Service at 10.30 am at Langham.

Our **ADVENT CAROL SERVICE** will be at 6.30pm.

MERIEL

***A Prayer for you to use in October
(as we think about the completion of the Harvest this month)***

God our Father we thank you for the world and all your gifts to us, for the sky above us and the earth beneath our feet, for the wonderful process which provides food to maintain life, for our crops and the skills and techniques needed to grow and use them properly. Make us more thankful for what we have received, make us more content with what we have and, make us more mindful of other people in need. Help us to use your gifts in the spirit in which you gave them for our good and the good of those less fortunate than ourselves, through Jesus Christ our Lord. Amen

**SUNDAY NOVEMBER 29th
6.30 PM**

ADVENT CAROL SERVICE

Darkness into Light

I'm sure that all residents will have noticed the new addition to the village – the Public Access Defibrillator next to the Bus Shelter. Following on from the Defibrillator and CPR training hosted by the Nayland Community First Responders last year, the Parish Council were able to answer requests from residents to purchase a defibrillator for the Parish.

This was only possible due to the generous grants from our local Councillors, Cllr Darius Laws and Cllr Lewis Barber, as well as a substantial grant from The National Lottery.

I know several residents have attended the training sessions hosted by the Nayland First Responders, but if you are yet to attend one, then please contact the clerk as we are planning on holding another training session later in the year.

Some residents may have noticed the unpleasant sewage smell at the village end of Water Lane has increased again over the summer. Please rest assured that Cllr Rogers and Chair Eddis are working with local residents, Anglian Water, The Environment Agency, and Colchester City Councillors to resolve the issue. If you would like further information on the situation then please do contact the clerk.

As autumn often brings with it (the much needed) rain, please remember that if you spot flood issues or potholes, then do contact the clerk and she can record your concerns with Highways and look to get

issues resolved. An area that has seen frequent flooding issues over the years is the junction by the Village Hall. Highways have now undertaken remedial work to the drainage system so we are hopeful that this will no longer be an issue.

Earlier in the year, the Parish Council were able to purchase spring bulbs thanks to funds allocated from Cllr Darius Laws' Locality Budget. These were planted at the war memorial, but unfortunately the supplier sent non-native bluebells and not the daffodils that were ordered. These will be dug up and replaced with miniature daffodils, so we are hopeful for a glorious display in the spring. The Parish Council was also able to purchase more seed for the wildflower patch at the park which we hope you have enjoyed over the summer months.

Plans are underway to repair the War Memorial, after the cross atop the memorial was blown off during high winds last winter. As a Listed Monument this has been a lengthy process, but we are now confident that we have found a skilled craftsman suitably qualified to undertake the work. The Parish Council are now in the process of securing funds to finance the restoration.

Remember that the Parish Council holds a coffee morning at the Village Hall on the 1st Friday of the month at 11am. It's a great opportunity to meet other residents and

discuss any issues with Councillors. We are in the process of setting up a “Puzzle Swap” and will have a selection of puzzles available at the next coffee morning – a perfect way to while away those dark winter evenings. It would be lovely if you could join us.

Last December, the Parish Council held a “Christmas Wreath Making” workshop during the coffee morning. If this is something you would like us to organise again this year, then please let the Clerk

know and depending on demand, we will hold another one.

And finally, a quick reminder that the Parish Council meets at The Village Hall on the 3rd Monday of every other month at 7:30pm. Members of the public are always welcome to attend. If you have issues within the parish that you would like to discuss then please do contact the clerk, Joanna Petersen on clerk@littlehorkesleypc.com

A CHANCE ENCOUNTER

I met Sue Castell early one Saturday morning when I was unlocking the church. We started chatting and I showed her round. She told me she was trying to find out more about her great aunt who had worked in Little Horkesley in the past, at The Hall and she showed me her photographs. It was very interesting so I asked her if she would write a short piece about her for our magazine.

Margaret Thomas

DOROTHY CLARY WOOLLARD AND HORKESLEY HALL, LITTLE HORKESLEY by SUE CASTELL

Dorothy Woollard, my great aunt, was born on 25 January 1909, and grew up in Bildeston, Suffolk, on the High Street with her mother, sister Pansy and half-brother, Leonard. In the early 1930s, Dorothy left her village to work as a professional lady's maid for the Otter-Barry and de Havilland families at Horkesley Hall in Little Horkesley.

As a senior member of the household staff, Dorothy was clearly a very valued and trusted member of the household. Family letters show that she was entrusted with looking after some of the family's auxiliary properties, including "Ash Vale" in Surrey, when Peter de Havilland was home on official leave. She treasured a lovely letter and post card from him thanking her for looking after him, sent from Port Said, all her life. She also kept several photographs of herself around the Horkesley Hall estate, giving us a fascinating glimpse into her life there. (See below.)

As war broke out in September 1939, Dorothy returned home to live with her family, where the Census records her as still working as a lady's maid. [Only a year later, the medieval church at Little Horkesley where she had worshipped while living at The Hall, and only a few hundred yards from it, was completely destroyed by a German landmine. Luckily the bomb landed directly inside the church nave and its thick walls saved the village from death and destruction, apart from the loss of The Beehive.]

In 1940, Dorothy completed her official British Red Cross certificates in First Aid and Home Nursing. She continued her dedicated service throughout the war, eventually volunteering more than 150 hours for the American Red Cross at local Allied bases. In recognition of her service, she received an official Certificate of Loyal Service in December 1945. Following the war, Dorothy married Stanley Last, an extraordinary local survivor of the Far East Prisoner of War (FEPOW) camps, who had endured the construction of the Burma

Railway. Together, they ran the greengrocer's shop in Bildeston until Stanley's passing in 1969.

Dorothy remained a fiercely independent and creative member of the village. She was also a much-loved aunt, and some of my fondest memories are of visiting Great-Aunt Dorothy. She always had homemade biscuits and cake, and she taught me how to sew. She passed away in 2006, at the grand age of 97.

Looking back, I feel very lucky to have known her and to have these family memories, photographs and pieces of history that help tell the story of her remarkable life.

Dorothy was only 5ft 3in tall and is the shortest lady in the photographs.

The view of the front and back of Horkesley Hall.

Dorothy, in black, on the Horkesley Hall estate.

Dorothy, on the right, in the gardens at Horkesley Hall.

Right:
Letter from
Peter de
Havilland to
Dorothy
dated 25th
September
1933.

25/9/33 from Peter Said.

Dear Dorothy,

I am writing to say how
sorry I was not to have said goodbye
to any of you except Townsend, but on the
morning we left I forgot about the time
until I found it was getting very late.

Thank you so much for looking after us
so well and your contribution to the enjoyment
of our leave in no small manner and
you always tried to when you saw
Redfern for us so efficiently. We are both
of us very grateful for all you did for
us at Ash Vale and we would give
a great deal to have both you and bang
in Egypt.

I hope you will have a very pleasant time
when you go for the rest of your holiday
which I understand you very kindly put
off on our account.

Will you please say goodbye to Dace
and the others for us and thank them
very much too. Yours truly, Peter de Havilland

LITTLE HORKESELEY WEATHER

July - August 2026

By Adrian Szabo

July 2026 was an exceptional month across our region, characterized by very high temperatures, almost complete dryness and exceptionally long periods of sunshine. It formed part of an extraordinary summer across southern England, with persistent high pressure dominating for much of the month. The Met Office described July as one of the most remarkable months in the UK climate record.

Temperatures were substantially above average. We recorded an average daytime maximum of approximately 25.9°C and an average overnight minimum of around 14.1°C. The highest temperature reached 33°C on the 29th. The mean temperature recorded in our village was 21.3°C, around 4°C above the 1991–2020 average. Conditions were persistently warm, with daytime highs typically reaching the mid-to-high 20s°C and pushing into the low 30s during peak spells. Also there were 6 tropical nights recorded in our area (with overnight temperatures which didn't drop below 18°C). Prolonged heatwave conditions were met across much of England, with some locations experiencing qualifying heat for up to 15 consecutive days. High atmospheric pressure anchored above England drove the settled and dry conditions- a classic summer 'blocking high' pattern, which kept Atlantic systems well to the North.

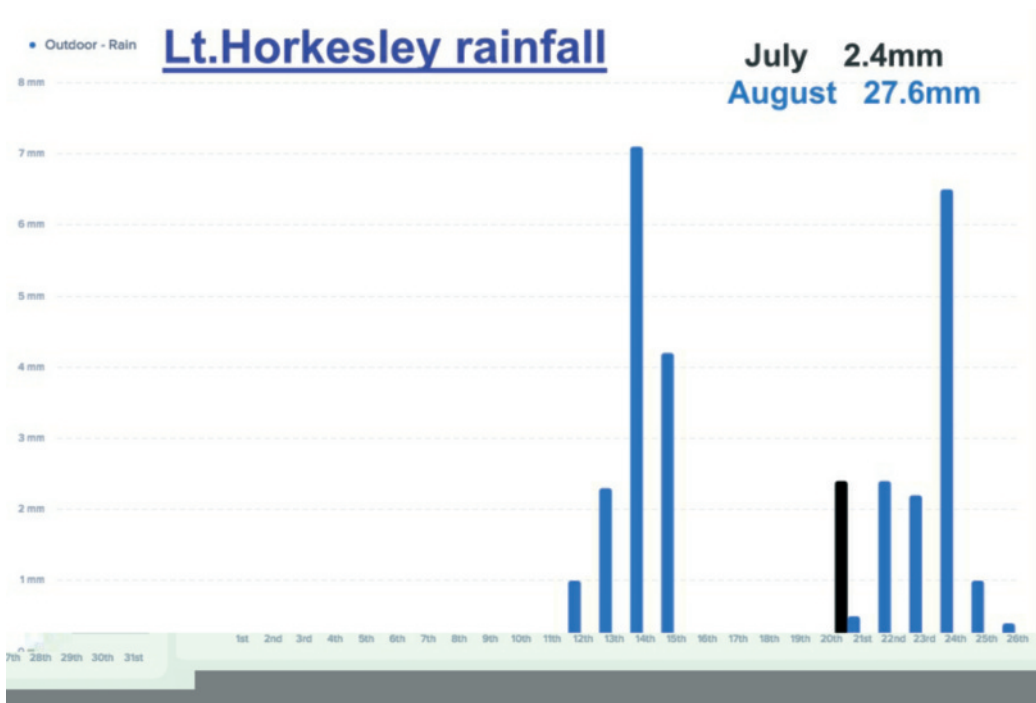

Rainfall was exceptionally low at 2.4mm (about 5% of normal July rainfall) with measurable rain recorded on one single

day (27th)-this contributed to severe dryness and worsening drought conditions in our region (which subsequently led to the hosepipe ban, still in place). This month was the driest July in modern regional history. Winds were gentle and light, predominantly from the Southwest and occasionally Northeast. Sunshine hours were outstanding with around 360 hours (165% of the average), which resulted in over 10 hours of bright sunshine per day on average- the sunniest July on record for England.

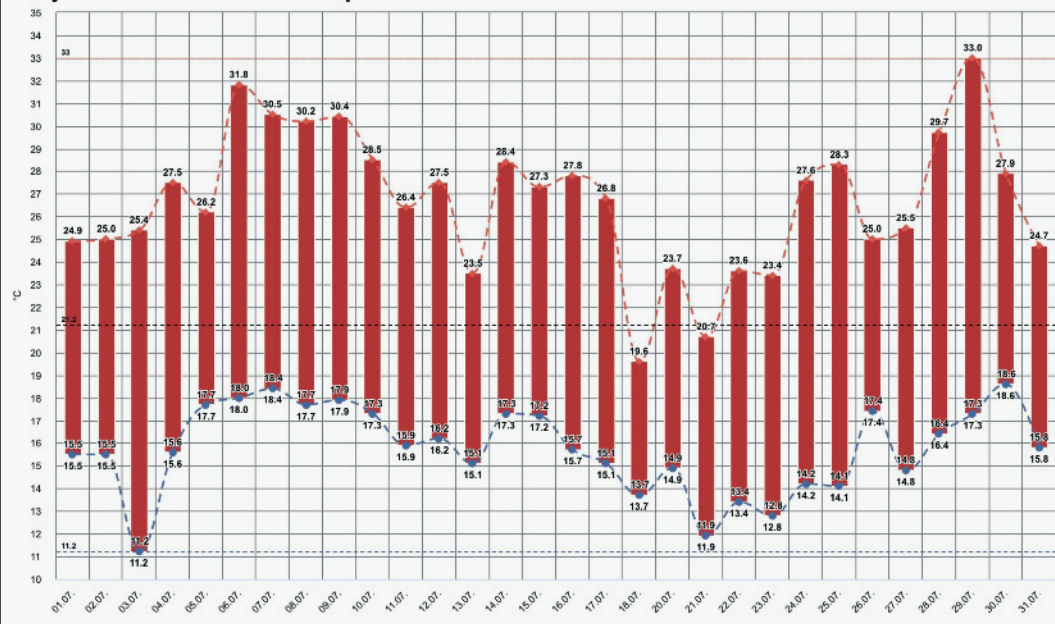

August 2026 maintained the summer's warm trend across East Anglia delivering notably high temperatures and dry, sunny weather across our region with occasional showers in the second part of the month. The month featured several periods of settled summer weather interspersed with cooler Atlantic-influenced spells. A particularly warm period mid month produced temperatures above 30°C (which peaked at 34°C on 14 August). Overall this month was about 2°C warmer than the multiannual average temperature (19.7°C mean temperature for August 2026). The high atmospheric pressure brought clear skies in the first part of the month; Atlantic lows corresponded with the two showery spells in the second half of the month. The total rainfall (27.7mm) was less than half of a typical August (68mm) but the few showers after the 17th were so welcome after the spell of over 9 weeks of very dry and warm weather. This amount was

recorded over 10 days with measurable rainfall. Winds were light to moderate, predominantly Southwesterly and about 6 days of mainly Northeasterly winds. Sunshine was again another notable feature. We enjoyed about 258 hours of sunshine (over 8.5hrs/day) — 130% of average — among the sunniest Augusts on record for the region, continuing the exceptional sunshine trend seen throughout summer 2026.

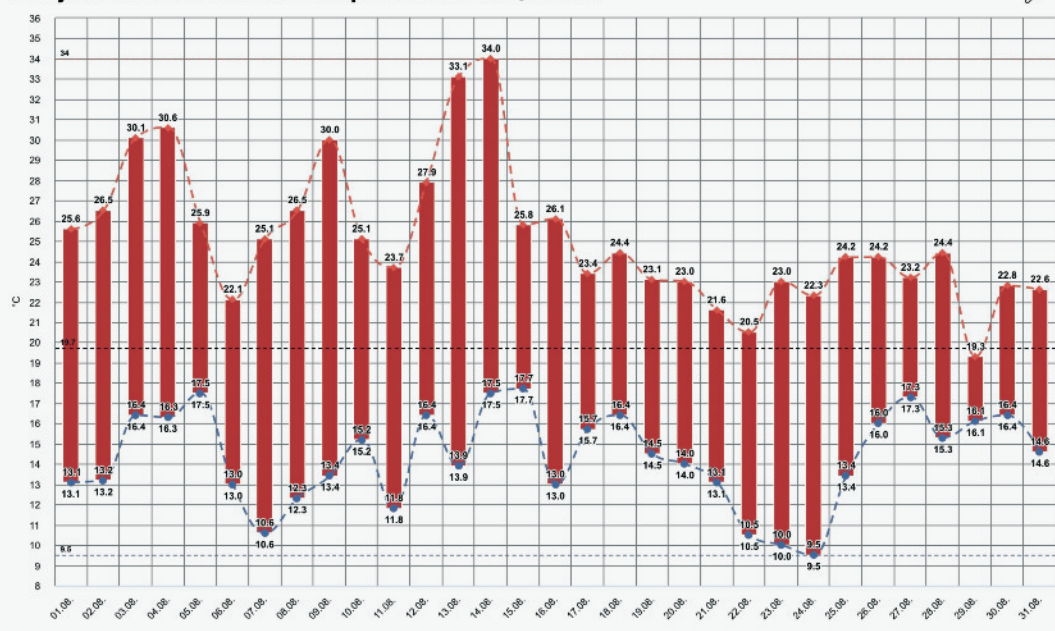

Overall summer 2026 was exceptionally warm, sunny and dry across our region. June brought sustained warmth, followed by an exceptionally dry July and continued warmth and sunshine through August. Rainfall was notably scarce, while several heat episodes contributed to a prolonged period of unusually settled summer weather.

Daily maximum/minimum temperatures 11 July 2026

Evening Service - 6.30pm

*All donations to
Colchester Food Bank*

COLCHESTER FOODBANK

HELPING LOCAL PEOPLE IN CRISIS

GIVE HELP

DONATE FOOD

Our foodbank relies on your goodwill and support.

Over 90% of the food distributed by foodbanks in [The Trussell Trust](#) network is donated by the public – that's why your food donations are absolutely vital to our ability to give everyone referred to us a balanced and nutritious three day supply of food.

Our shopping list on the right shows the food items that we need right now.

We always welcome donations and promise to use them to provide help to people in crisis. Occasionally we send food to other nearby foodbanks to support their work particularly if they experience shortages. This ensures your donations go to help people wherever in the UK they are.

We can also receive donations at collection points included in all the major Supermarkets in Colchester which have a collection point by the door, this includes Asda (for in-store shoppers only), East of England Co-op (including stores in and surrounding Colchester), Marks & Spencer, Sainsbury's (Stanway Tolgate & Priory Walk), Tesco (Hythe & Highwoods for in-store shoppers only), & Waitrose.

Dear friends,

JC's baptism

Greetings from Normandy! We're approaching the end of the summer, a season called 'La Rentrée' in France. We're thankful for some special and fun family times together over the summer. Our daughter Eloïse graduated in July and is now moving into the working world. Please pray for her. We're preparing and looking forward to what God is calling us to in the coming months.

Baptism

In early May, we celebrated the baptism of a young refugee lady, JC, who came to Christ and who we have been discipling. It's wonderful to see her faith and how she is trusting the Lord in her difficult situation. ***Please pray for her and for her walk with the Lord.***

Conference

May conference

Thank you for praying for the conference of the French Baptist Federation which we hosted in Caen in May. There were around 300 participants and it went very well despite some challenges. There was a lot of preparation in the weeks and months beforehand and members of our church and other churches in the network worked and served together in teams. Afterwards, a member of our church shared, "I feel that serving together like this has definitely deepened the unity and fellowship in our church community. We should do it more!"

Youth service

We praise God for our youth group. It is small but they are on fire for the Lord and serving in the church with their gifts. Some are part of the worship group. At the end of May, after a few weeks of preparation and support, they led a Sunday service. It was a big blessing for the church and an encouragement for them. ***Please pray for them to stay strong in their faith in a secular culture.***

Chantal's testimony

After Easter we started a sermon series on victory in Christ. One of the themes was living in victory in Christ in the middle of sickness. It was a relevant and challenging subject, especially for several people in the church who are currently facing various sicknesses. God spoke to us through his word and also through the vibrant testimony of Chantal, an elderly widow. She is facing long-term illness and sometimes lacks strength to walk. She shared with us how her relationship with Christ has grown

deeper since her illness and how she has learned to lean on God and draw strength and joy from him daily despite everything. She is on fire for the Lord and an example for us as a church. Please continue to pray for her.

Outdoor Sunday services

During the summer we had a couple of open-air Sunday services in a park in the centre of Caen. It was an opportunity to invite friends and have fellowship over a picnic and games afterwards. Sometimes some curious visitors in the park got closer during the worship or listened to the biblical message that was being shared. Please pray for these people, that the seeds that were sown in their hearts will bear fruit for the kingdom of God.

Open air service

Gospel discovery course

We are praying and hoping to host a discovery course (Alpha course) in the autumn. We ran one two years ago where our neighbour Corinne came to Christ and is now an active member of the church. As well as being a great opportunity for people to come to know the Lord, it's also a good team building time for the volunteers in the church who come to prepare the evening. ***Please pray for friends and neighbours that we are inviting, that many of them will come.***

Please also pray with us for:

- **Refugees.** We continue to care for the refugees God brings to us, many of whom have been through terrible ordeals. We still have our monthly foodbank to support them. Recently several have had their applications denied and some have been moved to new locations. Please pray for them, especially for those with young children.
- **Church network gathering.** The six churches in our Normandy network will be coming together on Sunday 20 September for a day of teaching, prayer and fellowship. Please pray that the churches will be encouraged and strengthened through this time.
- **David and Vanessa.** Sadly, David, who helped lead the youth and had started doing theological training as preparation for future ministry, is no longer coming to our church and has paused his training. His decision is for personal reasons. Please pray for him and his wife and may God guide them. Please also pray for God's provision of a youth leader.
- **Church planters training.** Sena, with a team, will be teaching a group of church planters on 9-10 October in Paris. Please pray that the groups will be encouraged and will go back and have an impact in the communities where God has placed them.

Thank you for all your prayers and support for the ministry here.

Love from,
Sena and Jane
