

NEWS AND EVENTS

"Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God's earth."

CREATIONTIDE 1st September – 4th October

This year's theme is 'Living Water', based on Ezekiel 47, v 1-12, reminding us of God giving us the water of life. It's a special time to think more deeply about God's wonderful creation and our responsibility to care for the world, its people, animals, the natural world etc. Let us re-commit ourselves to praying for our world and seeking ways to do whatever we can to protect it from further harm.

Debbie would like to thank everybody who supported her in raising money for the Christie hospital, her target was set for £500, in total £710 was raised.

100 Club
