A lot of sprucing up has taken place around the church this summer, and whilst at the time of writing there is still some residue to clear away, hopefully by the time you read this you will notice a great difference.

You can be part of continuing to make a difference: Join the **Friends of St Leonard's Working Party** on Saturday 10th October from 10am for our annual autumn clear and tidy. Jobs to suit all ages, abilities and energy levels. Come for the whole three hours or spare as much time as you can.

A new bench has been installed in the Churchyard, in commemoration of the Taylor Keane family. The "Grendon 800" bench (by the Yew Tree) will be going off for some re-varnishing in the next week or two. Not all jobs are done on working party days, if you have time on your hands and would like to offer to do something,

see **Nick Maker** (nandemaker@sky.com), who is the PCC's Site Manager, and he will happily find a project for you!

Giving

A very special gift....Neil McCrorie is creating some very fine souvenirs from left over wood from the old church roof beams.

Sales of the pens in particular have been going well, they are £47 each and you can order one from Neil at neilwoodcraft@btinternet.com

To give regularly to St Leonard's please use the Parish Giving Scheme which you will find at www.tinyurl.com/GivetoStL or scan QR code below
