Ceiling Project Public Meeting, 26th September at 7.30 pm

There will be a public meeting in St Mary's Church, Silverton, on Saturday 26th September at 7.30 pm. Peter Smith will give a talk about the history of the church in which particular emphasis will be given to the remarkable aisle ceilings which we are wanting to repair and conserve, and why they are unique and of national significance. There will be an opportunity to ask questions and to express your views about how you would like the community to benefit from this project. Our heritage consultant will be present. There will be a raffle, wine and nibbles. Admission, of course, free. All are very warmly invited to what I hope will be an enjoyable occasion.

O God, the God of all goodness and grace,
you are worthy of a greater love
than we can either give or understand.
Fill our hearts, we pray,
with such love towards you,
that nothing may seem too hard for us to do
or to suffer in obedience to your will;
that so we may become daily more like you,
and dwell more and more in the light of your presence;
through Jesus Christ our Lord.
Amen

'... each of us will be accountable to God.' (Romans 14.12)
