From Jane Skinner

Perhaps it's after the heat of the summer but the evenings seem especially cool after rain and we have lit a fire this evening. The burning logs make an attractive sight and make us feel warmer immediately even between feel the heat! As the children return to school and summer things are put away, how do you feel about the coming autumn? Rather than dread the shortening days and probably storms we've been forecast, perhaps we can celebrate the changing colours and appearance of berries & hips. Can we be thankful for the maturing and deepening of creation and pray this is true in our lives too? Time to review and hunker down with God. Opportunities this period are to listen to Ann Adams talk about healing, leading towards offering prayer for healing in our services. Also to rejoice in this Creation Season and treasure the natural world around us. *Jane.*

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

Afterwards, it would be lovely to see some photos, which I can put up on the website. <https://www.hartlandcoastparishes.org/photo-gallery>

As ever, if you are sending me **photos or posters**, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia

CAP is currently looking to fill two roles: a paid position for two days a week on a self-employed basis and a one-day volunteer role.
