Season of Creation

The Season of Creation runs from 1 September to 4 October (Feast of St Francis).

From Sunday, 6 September - the Festival of Creation in Christ - we shall be offering a daily reflection on the theme of Living Water (Ezekiel 47.9-12). This will be sent by email. If you would like to receive these, and do not have regular emails from the Church, please speak to David.

In addition, we shall have a weekly Pledge Card, focussing on an aspect of our use of water. The returns can be added to the offertory, if you wish.

And thirdly, at 3pm on Saturdays, we shall be taking a short walk from Old Glossop Church to a place of water. When there, we shall ask for God's blessing on the water, returning to Church for refreshments afterwards.

Eco Tip of the week

As the kids go back to school, some tips to improve sustainability in and around schools (also applies to work):

1. Sustainable school run - When dropping the kids off to school the best option for the health of your family and the planet is to walk or cycle. If you live too far away, you can still see if there is any other alternative, such as by using a bus, lift sharing or even part drive and then walk.

2. Sustainable pack lunches - First, ensure all your containers, such as lunch boxes, sandwich bags and water bottles are reusable. Additionally, ensure that the food you buy is devoid from as much packaging as possible, is in season and low carbon (such as by reducing meat and dairy consumption).
