From Jane Skinner

How do I express the disappointment of the full-time post of Team Reactor receiving no applicants? The Ministry Team is meeting with Bishop Moira on the 28th to press more deeply into our concerns for the future of rural ministry and the challenge of multiple parishes. Not being well connected poses problems

and not only when searching for a priest, other businesses and employers are finding the same - most recently highlighted at the Maternity Unit in Barnstaple. Our first response is turning to the Lord in prayer and listening for his guidance and the voices of those around us in the community. Notice where God is moving, where lives are being touched and people are seeking. Jesus isn't absent so may we all stay open and continue to share this journey together, living in hope and faith. Grateful that Jane Hayes is well enough to start appointments towards her hip operation, we pray that a date will arrive soon.
Jane.

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

Afterwards, it would be lovely to see some photos, which I can put up on the website. <https://www.hartlandcoastparishes.org/photo-gallery>

As ever, if you are sending me **photos or posters**, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia

CAP is currently looking to fill two roles: a paid position for two days a week on a self-employed basis and a one-day volunteer role.
