**Alpha in October**- The Alpha course started Thursday 1<sup>st</sup> October at 6pm at The Rectory. This is for anyone to join - those who have been Christians for a while and want to go back to basics, those who are new to the faith and those who are still searching. We start with a meal together followed by a video and a chat. It's very informal and a great way to get to know people. If you are interested, please let Anne or Chris know-it's not too late to join this week!

**Pastoral Care** - from our pastoral care meeting we are wanting to gather a list of names of people who would be able to provide a delivered meal for anyone who needs some practical support for a short period of time eg. due to illness, new baby etc. If you could let Anne know if you could be on such a list and we can approach you about this if needed. Thank you.

**Home Communion**s - if you know of anyone who would like Communion at home please let Anne or Sam know and we can make arrangements.

**Copies of the updated Church members directory are available in both churches** Please take one of these for personal use if required Please do not share contact details of members without their permission and do not publish any part of it on the internet to protect personal data

**THIS SUNDAY for our Harvest Celebration we would like as many people as possible to bring something that they have made, created, something that represents any work (paid or voluntary, school or from a club) that we have done this week. It can be anything at all - adults, young people and children all invited to bring something.**

**Harvest Collections in both churches this year will be for Sawley Foodbank appeal**. Marie Beard from the Food Bank will be joining us for the All Saints' service and lunch with her family. A list of food that is needed is shown opposite

**There will be a Praise Service on Sunday 11th October at 6pm at All Saints.** This will be a great opportunity to gather together to sing and learn modern worship songs.

Join us for a time of worship through song.
