From Jane Skinner

Just finished a book called 'Happiness by design' by Daniel Kahneman, he encourages us to decide, design and then do those things which bring us, and gives others, happiness. Happiness is less likely to occur without us making choices and attending or 'reaching towards' those things which make you happy.

An encouragement this week to focus on what generates happiness for you and those around you. And then do it, make it happen! Perhaps Jesus would use the word 'joy' which I tend to feel is longer lasting and deeper. Perhaps we can check out each other's happiness levels and suggest we prioritise some happy moments. If coming to Woolsery on Saturday for the Wander Day will help, it would be great to see you. You could climb the church tower and give your teddy a flight down by parachute, buy a book, support 'Ride & Stride', start the Scarecrow trail or the churchyard trail - lots of options and plenty of laughter! *Jane.*

please contact

Please send Tricia (as an attachment) any posters for your church events for circulation and loading on the website. email: hartlandcoastparishes@gmail.com

Afterwards, it would be lovely to see some photos, which I can put up on the website. <https://www.hartlandcoastparishes.org/photo-gallery>

As ever, if you are sending me **photos or posters**, PLEASE send them as .jpg or .png attachments for me to download, as it takes so much time to unravel them otherwise and this format is suitable for loading directly to the website without my having to play with them! Thank you, Tricia

CAP is currently looking to fill two roles: a paid position for two days a week on a self-employed basis and a one-day volunteer role.
