

"Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God's earth."

CREATIONTIDE 1st September – 4th October

In our parish (*Pendleton & Claremont*) we have used the Creationtide resources for several years, thanks to Clive who introduced them to us. This year, for the first time, the Church of England has declared that the first Sunday of Creationtide will be a special festival Sunday. This year's theme is **Living Water** when we are encouraged to thank God for the gift of water in all its forms and also to commit ourselves to the care of creation. Let us re-commit ourselves - as individuals and as a parish - to praying for the amazing creation we have been given and seeking ways to do whatever we can to address the dreadful consequences of the climate crisis.
