Notes from the Vicar

November is a month for remembering. At the beginning of the month, our churches give us opportunities to remember those we have loved who have died, and then, on Remembrance Sunday, we remember those whose lives have been given in war.

There is something important about remembering. We remember those who made the ultimate sacrifice in the wars of the past, but we also remember those who continue to lose their lives in conflicts around the world today. Remembrance is not about glorifying war. It is an opportunity to acknowledge its terrible cost, to honour those who have suffered and died, and to remind ourselves of the value of peace. We pray for a world in which fewer lives are destroyed by violence and in which the causes of conflict can be addressed before they become war.

On November 1st, our service at All Saints will also give us space to remember those who have been part of our own lives and who are no longer here to share them with us. We all carry memories of people we have loved: family members, friends, neighbours and others whose lives have touched ours. Sometimes their absence remains very painful; sometimes, as the years pass, our memories become a mixture of sadness and gratitude. To remember them is to acknowledge the contribution they made to our lives, and to recognise honestly that we miss them. The words of Psalm 34 offer a quiet assurance: "The Lord is near to the broken hearted, and saves the crushed in spirit." It is good to have a place where we can bring both our memories and our grief before God.

November also includes Safeguarding Sunday, on 15 November. Safeguarding is an important part of our life together as a church. We are very grateful for the work of our safeguarding officers, who give considerable time, care and determination to helping make our churches safe places for everyone.

There is a great deal of training involved. Our Parochial Church Councils undertake safeguarding training, and it can sometimes raise difficult questions or draw our attention to circumstances in people's lives that we might prefer not to see. But that is part of what safeguarding asks of us. It calls us to be willing to notice, to listen and to respond, rather than turning a blind eye when something is not right.

Jesus reminds us in Matthew's Gospel that when we care for those who are vulnerable, we are also caring for him: "Just as you did it to one of the least of these… you did it to me." Safeguarding is therefore not simply a set of procedures that we have to follow. It is part of our Christian calling to care for one another, particularly for those who may be vulnerable or whose voices are easily overlooked.

And finally, thank you to everyone who has joined us for our Harvest celebrations. As I write this at the beginning of October, we are still in the midst of celebrating Harvest, and we are very grateful for the gifts that have been brought to our churches and which will be passed on to the Salvation Army. Harvest reminds us that what we have is not ours to keep for ourselves. It is good to receive, and it is good to share.

May November be a month in which we remember with gratitude, grieve with honesty, pray for peace, and continue to care for one another.

With my prayers
Allison

All Saints Church Calthwaite

A huge thank you to everyone who contributed so generously to our Foodbank collections and the Bishop's Harvest Appeal. This includes the wonderful families of Calthwaite CE Primary School, who recently packed the church for their Harvest Service and contributed a bounty of generous donations for the local food bank. Your collective kindness ensures that vital support reaches those who need it most this winter. Grateful thanks also to Mr. Harvey for arranging delivery to the Salvation Army

Back at school, the children had some fantastic experiences. They took part in inspiring wheelchair basketball sessions led by Nat Inclusive, a world champion and member of Team GB, to raise disability awareness through sports. The children have also been making the most of the unusually warm weather with hands-on Forest School lessons in the great outdoors.

Our heartfelt thanks go out to everyone who attended, volunteered for, or donated to our Big Breakfast Fundraiser. From the early morning prep to the final cleanup, your energy and dedication made everything run smoothly. We raised around £1100 to support All Saints church. We could not have done it without our incredible volunteers and our wonderful community!

November Services at All Saints are all listed on our Services pages.
Looking ahead, please save the date for Monday 7th December, when all are warmly welcome to join us for festive carol singing at the Globe Inn with Blue Jam—full details will follow in next month's magazine!

"The Lord is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul." — Psalm 23:1-3
Loving God,
As the seasons change, we thank you for your constant presence, your faithful provision, and the warmth of our community. We ask for your comfort for all who are grieving, and your peace to fill our hearts this winter. Keep us ever mindful of your love, which guides and refreshes our souls every day. Amen.

SKELTON PARISH COUNCIL

Clerk: Mrs Lisa Beken – clerk@skeltonpc-cumbria.org.uk 07522 939696
Chair: Ms Stacey Creighton - stacey.creighton1981@gmail.com; 016974 75710

The next meeting of Skelton Parish Council will take place on Tuesday 24th November 2026 at 7.30pm at Skelton Toppin Memorial Hall. Members of the public are always welcome to attend.

At the September meeting of the Parish Council the following matters were discussed:

Funding has been secured for the restoration of the droving troughs at Skelton, and tenders for work will now be sought.

Councillors discussed the condition of the play area at Braisgate. Members of the public present were also invited to share their views. The Council will be beginning a project to renovate the paly area, and will be consulting with residents as to how they would like this to proceed.

A resident group requested funding to start a parent and toddler group at Skelton. The Parish Council agreed to award a grant of £1,000.

It was agreed to purchase a new noticeboard for Skelton, and to locate this on the edge of the village green.

Councillor Towers updated the Parish Council on the ongoing work at Skelton Toping Memorial Hall to establish the hall as a resilience hub.

HESKET PARISH COUNCIL

www.hesket.org.uk

Chair: Shaun Long facebook.com/HesketParish

The next Ordinary Meeting of Hesket Parish Council will be held on Tuesday 10th November 2026 at 7.30pm at Low Hesket Village Hall. Members of the public are always welcome to attend.

Repeated vandalism at Armathwaite Play Area

There have been repeated instances of vandalism at Armathwaite Play Area, with wooden panels removed and broken. The Parish Council has already paid £2,000 for repairs, and will face another bill this year. The Parish Council wishes to support the provision of play areas in the Parish, and has recently agreed to adopt the Play Area in Calthwaite to ensure its long-term survival. Costs of repairs are paid by residents of the Parish, through the annual Precept, and continued repeated unbudgeted repair costs will lead to a need to increase the Precept.

The Parish Council would ask all residents to respect the Play Area, to ensure that it continues to be a resource for residents of the Parish.

The old war medals lay forgotten in a drawer. The young grandson found them and wanted to know their stories and to wear them. The medals were given a quick clean and mounted via a large safety pin. A neighbour with experience of the armed services sarcastically pointed out that the medals were from 2 different war periods. The Grandmother quietly pointed out they were the medals of her husband and son, who had died in the service of our country! November is dedicated as a month of Remembrance. During this month we will write all the names of those, who have died on slips of paper, which will lie at the front of the altar and be remembered in every Mass during the month. While we pray for all the deceased, let us never forget those, who have been left behind and need our prayers and support.

At the start of November will be the feast of All Saints. While few of us will ever have met a person, who has been recognised by the church as a Saint, many will know or remember a 'good' person. He or she may not be known to many, but whoever's life they touched it was to provide support without reward. These people make the difference in any family, church, neighbourhood, workplace or social gathering. Let us all try to quietly match them and make the world a better place for everyone.

Paul Leo asks us to recognise the poor and tells us it is our duty to help where we can. It is easy to make a donation to CAFOD, which will work in our name to provide food and water in many countries. In the more affluent countries, there is still poverty as families struggle with rising costs. There are different kinds of poverty, including economic and social, reflecting the spread of inequality across many counties both poor and affluent. Many even in our own country feel trapped through unemployment, low wages and poor standard accommodation. Can we help in any way?

Prisons are in the media, through the Government Early Release scheme. PACT the Catholic church supports prisoners, their families and their children. It is important that suitable support is ready for any prisoner being released and especially their families and children. Families need support both during imprisonment and after their release. Please say a prayer for prisoners, their families and children. We also need to pray for those, who work in the prison service and their families and all others providing professional support.

A glance at our school St Catherine's shows a happy school with children enjoying their school days. Check the website and compare it to your school days!
How we long for peace and an end to all wars and troubles. Mother Teresa said 'Peace begins with a smile.' Let us try and smile more every day.

A short reflection and prayer takes no time, but can bring personal peace. God bless.

Christmas Concert
in Ainstable Church
with Lydia Rae & Ben Lawrence
From 6pm.

We're always delighted to receive requests for a christening.

We can do a christening in the main Sunday service or after the services – usually 1.30 or 2.00. You will find a christenings enquiry form on our *Church Near You* page, - you can email the vicar. There are no fees to pay the church for a christening. However, in order to cover the cost of the christening candle, certificate, heating and lighting of the church, we warmly recommend a donation of £55. Although we try to be flexible, we don't always have availability for your first choice of date, so please do ask in plenty of time.

Food Bank

Please help if you possibly can by donating tinned or packet food for the Food Bank. Visit the website to see what food they would welcome - https://www.carlislefoodbank.org.uk/.

It is appreciated that many of you will be finding money tight at present but please see if you can spare just one item per week, e.g. pot noodles or rice to microwave, to help those people who are desperately in need of help right now to feed their families and heat their homes. Any contribution, however small, will be greatly appreciated. Your gifts can be left at any time in the box on the driveway at 8 Mill Brow or in the box at the back of church.

A huge thank you to all the generous donations we have received so far this year. You are amazing!

Visit: https://www.achurchnearyou.com/church/12301/ at any time to find out what is happening at Armathwaite Church. We try to ensure the website is up to date with all services and events.
