UPDATE ON THE HARVEST GIVING SCHEME.

Harvest Sunday saw the start of our annual initiative asking people to review their giving to support the mission. We asked that people just starting to give consider a gift of £20.00 per month by setting up a standing order, and that those with a standing order consider increasing their gift by £20.00. If you are currently donating via a standing order, the plate or card machines or other means and are eligible for Gift Aid, then please let us know this, as we can claim an extra 25% through the Government Gift Aid scheme. We will be providing an update over the next few weeks. There are forms at the back of the Church.
