you across the Benefice.

THE BELLS WILL CHIME!

On the afternoon of Remembrance Sunday, **8 Nov**, there will be a *half-muffled* quarter peal from All Saints Church tower at 3pm.

- A quarter peal is a continuous performance of a set length—typically 1,250 to 1,440 changes—which lasts for roughly 45 minutes.
- It is roughly one-quarter of the length and time of a full peal (which requires at least 5,000 changes and takes about three hours).
- The same ringer stays on the same bell from start to finish, and the performance runs continuously without pauses.
- A muffled peal is where leather or rubber pads are attached to the bell clappers to create a solemn, echo-like sound
- The bells are rung following specific, preordained mathematical patterns or *methods* rather than just improvised tune-playing.

DREAMING DREAMS

Thank you to everyone who attended the 'Dreaming Dreams' review of Children and families ministry on Saturday 12 September. It was a fantastic day with a great opportunity to theologically reflect together and to seek God's vision for the way forward. Our collaborative theological reflection has enabled a vision to develop and has provided us with a plan for how we will begin to work towards achieving it. I have produced a report Dreaming Dreams: *'Creating a Vision for the future'* which represents the voices of all who were present and reflects our prayers, discussions and thoughts. For a full copy of this report please contact Michelle in the Parish Office. *Rev'd Tracey*

OUR VISION FOR CHILDREN & FAMILIES

Welcoming All, Growing Faith & Building Community Together

Inspired by Jesus' compassion in Matthew 14:13-21, we will bring what we have to God and trust him to use it generously. We will Create welcoming spaces where children, young people and adults are known, valued, fed in body and spirit, and invited to discover faith.

What are the next steps?

We need all of you to **pray over this vision**; it needs everyone to play a part, I am seeking to build a team which will be known as the **Pioneer Mission Team**, together we will explore the recommendations of the report and prayerfully bring them into reality:

- ✓ There will be an opportunity to attend a **Pioneer Parishes** online training course to learn more.
- ✓ The initial findings indicate that we will explore **Bubble Church** as an initiative to support children and families from Little Lights, First steps and baptisms.
- ✓ To improve on our ongoing ministry with local schools we will consider a **School Chaplaincy Model**.
- ✓ We will support our local schools to engage with the **Archbishops Young Leaders Award**, and we will explore the possibility of a **Youth Choir**.

I am sure that as we begin to move forward the holy spirit will continue to inspire and things will take God's shape for his mission here. **If you would like to know more**, please do contact me. Everyone is so very welcome to join the journey - let's see where God takes us. *Rev'd Tracey*.

LOVE YOUR NEIGHBOUR

We are thinking again about re-launching what was once known as 'Mercy Meals'. There are members of our church family who would really appreciate a meal to help them. Are you willing to cook an occasional meal so that it could be delivered to whoever needs it. Meals can be heated by them when needed. We will need to follow the appropriate guidelines, but this is something that is a need in our community and I am wondering if we have any willing volunteers? If you would like to help or know more, please call or email me and we can have a chat. *Every Blessing, Rev'd Tracey*

HOME GROUP UPDATES!

Monday mornings: we are taking a short break and will resume our sessions on Mon **9 Nov** at 10.30-12.00noon. We shall be starting a new book in the Pilgrim series based on the Lord's Prayer. This would be a good time to welcome any new people who might like to join us. Each session includes prayer, reading of Bible passage, reflection and discussion. It is an ideal opportunity to talk about our faith and beliefs in a welcoming and relaxed environment. If anyone would like to join us, please contact me for further details and to know the venue in Westbury. We shall agree the dates of our meetings at this first session back. *Rev'd Rebecca*

Monday evenings: In September I established Friendship, Faith & Bible Study which began at The Vicarage in Dilton Marsh – for ladies only. We advertised in the news sheets and parish magazine, and I'm delighted to say a lovely group quickly gathered. Our first get together consisted of us sharing a 'Rev Tracey special homemade curry' and deciding on what material we may use to guide the following group sessions. It became apparent that we wanted to explore our faith and how the Bible is relevant to our everyday lives. It's been lovely to create a six-week study tailored to the group needs. We meet fortnightly on a Monday evening and so far, we've been using the dwelling on the word method to explore Ephesian's 6:10-20 & the armour of God. Our evenings have consisted of icebreakers, exploring the passage and a particular piece of God's spiritual armour, we have listened to worship music, reflected together, and prayed. Each of us now has a prayer partner and keep prayers ongoing through the Friendship & Faith WhatsApp. We will continue to study the Bible together and explore various means as we journey along. If you are interested in joining or finding out more, please do get in touch with me. *Rev'd Tracey*

CALLING ALL FLOWER LOVERS: We are looking to form a new team of flower arrangers to work on a rota system to decorate All Saints and to continue to make it an alive & welcoming space. Or maybe you (or someone you know) is new to the area and have a skill for creating wonderful plinth arrangements? Going forward we want to use sustainable props and locally sourced flowers as much as possible. Perhaps you are a keen gardener and could provide us with your own home-grown flowers or greenery?
