Harvest Festival

Today, both our parishes mark Harvest Thanksgiving and will be collecting produce for the Glossopdale Foodbank. There will also be a cash collection towards the USPG Nepal Flooding Disaster Fund.

Season of Creation

The Season of Creation runs from 1 September to 4 October (Feast of St Francis).

From Sunday, 6 September - the Festival of Creation in Christ - we shall be offering a daily reflection on the theme of Living Water (Ezekiel 47.9-12). This will be sent by email. If you would like to receive these, and do not have regular emails from the Church, please speak to David.

In addition, we shall have a weekly Pledge Card, focussing on an aspect of our use of water. The returns can be added to the offertory, if you wish.

And thirdly, at 3pm on Saturdays, we shall be taking a short walk from Old Glossop

Church to a place of water. When there, we shall ask for God's blessing on the water, returning to Church for refreshments afterwards.

Eco Tip of the week

Air leaks in your home and tyres are particular concerns in cold weather!

1. Check Your Tyres - Tyres that are underinflated use more fuel and have less grip. Colder temperatures can lower your tyre pressure so now is a great time to get in the habit of checking your tyres to improve your fuel mileage and extend the lifespan of your tyres.

2. Seal Your Windows and Doors - Drafty windows and doors can make more of a difference to your homes temperature than you think. To seal any leaks around your windows, check online for advice and for easy to use sealants. For doors, there are several different sealing devices that you can use, including, for those who aren't confident with DIY.
