Notes from the Vicar

Although it's only October, I've been almost as quick as the supermarkets at getting ready for Christmas. I haven't made any mince pies yet, but I am already thinking about our Christmas services and about ways of welcoming people from across our communities into church.

Christmas is one of those times when we are reminded just how much our churches mean to people. People who may not come very often still find their way through the church door at Christmas. They come because it is part of the story of their family, their village and their own lives.

And it made me wonder: 'What does the church in your village mean to you? What are the connections you have with it?'

Perhaps you were christened there. Maybe your parents or grandparents were married there, or you have been to a funeral there for someone you loved. Perhaps you remember coming to the church as a child, singing in a school service, or lighting a candle for someone. Maybe there is a particular hymn that always reminds you of a person or a moment in your life. Perhaps you walk past the church every day, you notice the flowers outside or hear the bell on a Sunday morning. You may not come very often, but you are glad that the church is there.

Our churches are part of the story of the village and of the people who live here. They are places where generations have marked important moments in their lives, and which continue to offer worship, prayer, friendship and welcome.

I realise that I've been talking about this in the parish news over a number of months now. But keeping a church open and available does, of course, cost money. In October our churches will be really thinking about how they can plan to meet their costs going forward. We all want to be able to serve the communities around us. Sometimes we can feel that our own contribution cannot make much difference. What difference can a few pounds possibly make when there are large bills to pay? Actually, quite a lot.

Our churches are supported by lots of people doing lots of little things. A person who gives £2 a month, another who gives £10, someone who gives their time to clean the church, another who tends the churchyard, someone who provides refreshments, and someone who puts money into the collection. None of these contributions is the whole answer. Together, they make the life of the church possible.

The Bible encourages us to think about generosity too. Deuteronomy says:

"Give liberally and be ungrudging when you do so, for on this account the Lord your God will bless you in all your work and in all that you undertake." (Deuteronomy 15:10)

So I'd like to invite you, whatever your connection with the church, and however often you come through its doors, to consider making a little more contribution towards its future.

And may you know God's blessing.

With my prayers

Allison

All Saints Church Calthwaite

We are looking forward to celebrating Harvest together with the school and our church congregation. Harvest is a special time to give thanks for all that we have received and to remember those in our local community who may be finding life difficult.

As part of our Harvest celebration, donations will be given to our local food bank. Gifts of non-perishable food and everyday essentials would be very gratefully received and will help support local people and families.

Our church is open daily, and everyone is welcome to come in for a quiet moment, prayer, reflection, or simply to enjoy the peace of the building.

We continue to hold two services each month. On the first Sunday there is a Communion Service with Rev Allison, and on the third Sunday there is a lay-led service. The school harvest service will take place on Friday 2nd October at 9.30am with church harvest festival service on Sunday 4th October at 9.15am. A warm welcome awaits everyone, whether you come regularly or are visiting for the first time.

We would also be grateful for volunteers to help decorate the church for Harvest and assist with sorting and taking donations to the local food bank. If you can spare a little time, your help would be warmly appreciated please contact Ally or Pat.

ALL SAINTS SERVICE

There will be an evening service for All Saints on Sunday 1st November at 7.00pm. This is a service of gentle reflection and thanksgiving with music and prayer to remember those we have known and loved. If you would like us to remember someone in particular please contact the churchwardens or email to allysnaith59@gmail.com or text to 07808349749. – All welcome.

Prayer

Loving God, we thank you for the gifts of harvest, for the food we share, and for the hands that have helped to provide it. Bless our school, our church, and our community, and may the donations we give bring help and hope to those who need them. Amen.

HESKET PARISH COUNCIL

www.hesket.org.uk

Chair: Shaun Long

facebook.com/HesketParish

The next Ordinary Meeting of Hesket Parish Council will be held on Tuesday 10th November 2026 at 7.30pm at Low Hesket Village Hall. Members of the public are always welcome to attend.

Hesket Parish Council held an Ordinary Parish Council meeting on 8th September 2026, at Low Hesket Village Hall. The following matters were discussed; Elaine Martin was co-opted onto the Parish Council, representing Calthwaite. It was agreed to move forward with the purchase of the speed indicator device, which will be rotated between Armathwaite and Calthwaite, from Westmorland and Furness' preferred supplier. Councillors agreed to sign the contract for the transfer of footway lighting to Westmorland and Furness Council, with the proviso that all lights previously transferred from Eden District Council are included. Following a request from Penrith Swimming Club, Councillors agreed that they would support the Club continuing its operations at Penrith Swimming Pool. Grants of £400 were awarded to the News and Notes and to Armathwaite PCC. Councillors objected to a scoping planning application at Plumpton, for a battery storage scheme, due to its size, noise and visual impact on the rural environment. The Council were informed that proposals to move from 3 wards of 5 Councillors, to 5 wards of 3 Councillors were approved by Westmorland and Furness Council, subject to confirmation from the Boundary Commission, from May 2027.

Repeated vandalism at Armathwaite Play Area

There have been repeated instances of vandalism at Armathwaite Play Area, with wooden panels removed and broken. The Parish Council has already paid £2,000 for repairs, and will face another bill this year. The Parish Council wishes to support the provision of play areas in the Parish, and has recently agreed to adopt the Play Area in Calthwaite to ensure its long-term survival. Costs of repairs are paid by residents of the Parish, through the annual Precept, and continued repeated unbudgeted repair costs will lead to a need to increase the Precept. **The Parish Council would ask all residents to respect the Play Area, to ensure that it continues to be a resource for residents of the Parish.**

The Catholic Parish of St Catherine, Penrith, with the Chapel of St Wulston, Alston and Our Lady of Appleby with Kirkby Stephen

October is dedicated to the sacredness of life. In our current troubled world, the sacredness of life seems to be ignored or forgotten. In a period, when assisted suicide legislation is being promoted and encouraged, without any safeguards or restrictions, the world according to many media outlets would rather put aside 'inconveniences and ignore the consequences. So often, the media assert that various actions are 'War crimes' by the major military powers as well as others, but there is no further comment even when they are in breach of international law and well-established conventions and there has been significant loss of life. During the month of October, we particularly pray to Our Lady. Mother of Jesus and Mother of the World. Many churches including the Eastern and Oriental Orthodox, Catholic, Evangelical Lutheran, Anglican, Reform, Methodist and Baptist churches recognise and venerate her as the Mother of God. We pray that through our combined prayers that the world might become a better place, especially through appreciating more, the sacredness of life. Can this October be different?

On Saturday 17th October at 12.15pm in Lancaster Cathedral Bishop Paul will celebrate a votive Mass of St Luke, the patron saint of doctors praying for all those, who work in healthcare, both throughout our diocese and the rest of the world and including all those, who they care for. While it is an opportunity for healthcare workers to meet, it is a timely reminder for everyone to remember the wonderful work carried out on our behalf. It is easy to remember times, when things have gone wrong and forget the majority of times, we are grateful for their professionalism, care, compassion and concern. Bless them in their work.

An ALPHA course hosted by the parish of St John Boste started on 9th September and will run over 11 weeks until 18th November 2026, in the Haydock Centre, between 6pm to 8pm each evening. The course is open to everyone, no matter their background or beliefs. Alpha is a safe place to meet new people, find out the basics and share thoughts. Each week a big question around the Christian faith will be presented and explored. The evening includes a meal, followed by a video with group discussions included. Whether you have questions or not, or are just curious, why not come along, either by yourself or bring a friend. For further enquiries; contact Deacon Charlie Conner, charlie.conner@lrcd.org.uk or stcatherine.penrith@lrcd.org.uk; telephone 01768862273.

Our school re-started to the delight of the children, especially Reception, Parents, Grandparents and others. We would like to thank everyone who contributed towards the Harvest Service at Christ Church, Ivegill on Sunday 27th September. All the gifts were displayed around the church and later taken to the Food Bank where they were gratefully received.

On Saturday 14th November, Soup and Puds are being served at Ivegill Village Hall from 12.00 - 2.00pm. Come along, meet friends old and new and enjoy delicious food together.

Ivegill WI Report June and August 2026 June was our guest night when we welcomed ladies from Cumdivock, Wreay/Stoneraise, and Raughton Head WI's. Mitch Bridgewater came to tell us all about his experiences on The Great British Sewing Bee. He learnt to sew in lockdown and his wife submitted an application on his behalf! He was surprised to be called for an interview and was lucky enough to be selected for the show. He brought along the garments he made for his selection presentations, together with those made on the show. We were surprised to learn the commitment required for these shows, especially with no payment, but we were glad he had several employment opportunities since being on the show. He also made many friends who still keep in touch. This was followed by a delicious buffet tea.

In August, Fran Henderson, retired detective, now working for Cumbria Police in a civilian capacity on Fraud prevention came to talk to us. There was a lot of ground to cover and we all learnt how we might protect ourselves against fraud or report suspicious activity on line. Did you know that you could dial 159 to be put through to your own bank? Save trying to find the number when you are suspicious of a fraudulent phone call. Suspicious texts can be forwarded to 7726 etc. Cumbria Police issue a newsletter with up to date scams which we should all sign up to. Our next meeting is on 21st October 'Rope Production' play

Harvest Supper – 21 October 2026

Everyone is invited to join us in the Old School Hall for the Harvest Supper at 7pm on 21 October. Numbers are limited, so please provide your name to Jenny Roscoe jen-nyroscoe1@gmail.com or Sue Bonsor ksponsor@msn.com by Wednesday, 14th October 2026. Any offers of assistance with food provision will be greatly appreciated; please direct these to Jenny or Sue. There is no admission charge, but donations are welcome for the Bishop's Harvest Appeal.

Help!

The church continues to collect items for the Carlisle Food Bank, and donations can be left at any time in the box at the back of the church or in the collection box on the driveway at 8 Mill Brow. Demand remains high, and any contribution you are able to make is greatly appreciated.

Donations have significantly reduced over recent months, and we understand that many of you may also be feeling financial pressure. However, if you are able to offer even one item per week, it would make a meaningful difference to a family in a very difficult financial situation.

Thank you to all who give regularly — your ongoing support is sincerely appreciated.
