

FROM AROUND OUR BENEFICE

In this season of Creation which is based on Living Water there are millions of people around the world who still lack reliable access to safe water. Burley Church are delighted that they have now twinned their second toilet with one in Tanzania which will make such a difference to the community receiving a toilet and running water. Well done Burley!

Our Vision Day is fast approaching! – 2 weeks to go! We need YOU!

Lunch is being provided so please sign up

List at your Church OR email Tristan: admin@newforestedgechurches.org

ECO THOUGHT FOR THE WEEK:

Batteries should never go in your recycling or rubbish bins. If batteries are crushed in waste collection vehicles or at recycling sorting facilities, they can cause serious fires.

Batteries can be hidden inside everyday items such as vapes, toys, mobile phones, greeting cards and electric toothbrushes!

Remove them and take to a battery recycling point in a supermarket or the tip.

NEW FOREST EDGE BENEFICE
