Reflection by Jen

I have been deeply moved by the generosity shown over the past few weeks. As I look at all the food donated to MCK through Harvest celebrations in churches, schools and nurseries, the garage is full to overflowing. It is a wonderful picture of an abundant harvest.

This generosity feels especially significant at a time when so many people are struggling with the cost of living.

And yet, people continue to give so willingly—sharing what they have so that others may be supported and cared for.

It connects closely with what Lydia from Tearfund spoke about on Sunday at St Mary's. If you missed her talk, you can catch up with it on YouTube.

Each of us holds something in our hands, whether it seems like a lot or a little. Everything we have is a gift from God, and the way we use those gifts is at the heart of faithful living. Throughout the Bible, we see people offering what they have: the widow who gave her last coins; Abraham, who was willing to surrender what was most precious to him; and Moses, who offered himself in

service despite feeling that he was not eloquent enough. Their stories remind us that God does not ask us to give what we do not have. He invites us to place what we do have into his hands and trust him to use it.

So, what has God placed in your hands? Do you recognise the blessings that have been poured out on you, and how might you share them with those around you?

As you are probably very aware now we are a Parish in Vacancy, there is a lot that needs to be done in order to be able to advertise for a new Priest-in-Charge. One part of this is to create a Parish Profile - and this is where we really need your input.
Could you please spare 5 minutes to fill in this short questionnaire, the link below, we would be very grateful and your responses will help create this important document.

Could we please have all responses by Sunday 15th November. Thank you.

The Church Office is now closed until the 4th November.
