A Time to Remember

There will be a memorial service at St Andrew's Church, Hadfield on Sunday, 1 November at 4pm. It is an opportunity for those who have close family members and loved ones who have died, to find space for reflection in the Church and to light a candle in their memory.

All are very welcome. Refreshments will be served after the service.

'Love & Piece' Jigsaw Festival

St Andrew's Church, Hadfield on:

*Friday 6 November from 2pm – 6pm; and
Saturday 7 November from 10am – 4pm*

Come and see an ever changing display of over 150 completed new and pre-loved jigsaws for sale. Cake and refreshments.

The Middle East Crisis

The Archbishop of Jerusalem, Hosam Naoum has offered us this prayer:-

O God of all justice and peace, we cry out to you in the midst of the pain and trauma of violence and fear which prevails in the Holy Land. Be with those who need you in these days of suffering; we pray for people of all faiths – Jews, Muslims and Christians and for all people of the land. While we pray to you, O Lord, for an end to violence and the establishment of peace, we also call for you to bring justice and equity to the peoples. Guide us into your kingdom where all people are treated with dignity and honour as your children – for to all of us, you are our heavenly father. In Jesus' name we pray, Amen.

Eco Tip of the week

With colder weather upon us, how to keep out the cold in your home and garden:

- 1. Warm Your Room With A Rug -** Wooden and tiled flooring is worse at insulating than carpet and in these coming months, you will likely feel the difference as they begin to get cold underfoot. Simply adding a rug can make a large difference to the temperature in the room by keeping out the cold and keeping in the warmth.
- 2. Leave the leaves -** As leaves fall, it is tempting to tidy them up and throw them away, but fallen leaves are very useful in the garden. To help wildlife, pile up some you have collected at the border of your garden. This provides the perfect shelter for hedgehogs away from the cold. Also, leaves left about the garden can be used to give added insulation and nutrition to plants over the cold months. Any excess is a great addition to your compost.
