Eco and Fairtrade

Tip no.1 for a fairer, greener Christmas;
Look out for recyclable wrapping paper. It's now available in most supermarkets, Oxfam etc. it looks good and is helping to save our precious planet !

Also, buying Real Advent calendars is a great way to support Fairtrade farmers and bring pleasure to young - and not so young! - friends! Stock is very low but more will be here next week.

The 5 minute Bell – ***is a call to pause, reflect and remind us of God's presence.*** **When the bell rings before the start of the Service, it would be nice if we all could observe five minutes of silence.** ***Thank you and God bless.***
