Welcome to Holy Communion at St George's Church

A hearing aid loop system is installed in the church. Please switch your hearing aid to **T** or ask someone on the sound-desk for help with this.
If you need information in a different format to access it better, please let us know.

After the service there may be music from the organ or the singers; please feel free to sit and listen, or join in, or make your way to the back of the church for a chat and a chance to get to know each other over a cup of tea or coffee.

Next Sunday - Missions Sunday

Jon Hargreaves from Amplifying Voices will be visiting us for our Mission Sunday next week, 23rd November. He will be speaking about their exciting work in some of the most challenging places which combines community-based holistic ministry with the use of media. This is well worthy of our support so we would encourage you to come prepared to give on the day, or to give directly through their website at: https://amplifyingvoices.uk/get-involved#donate

Don't forget… Bible by the Beach early bird bookings close soon. See Meg!

Christmas Workshop

Every November Kathryn and her team organise a series of workshops for year 7 pupils at Davison school to investigate the biblical and historical evidence behind the Nativity story. This year she is giving us all the chance to experience the workshop for ourselves. Come along next **Friday 20th November, 10.15am** in church, to discover for yourself!

Christmas publicity

Our Christmas publicity fliers, detailing all that's going on at St George's this Christmas, are now ready to be distributed to every home in our parish. Jenni has been busy dividing the 6000 flyers into bundles for each road. They need to be delivered **by Friday 4th December** - our first Christmas event is on Saturday 5th. If you can help by delivering to one or two (or more) roads in the parish please pick up a bundle from the table by the main door and sign the sheet to say which roads you are doing. More details from Jenni M or the church office.
