## Some practical details

The pilgrimage weekend will be led by Fr Aran from the Uffington Group and all being well we will join with Pilgrims from All Saints and St Mary's, Stamford.

The total cost is yet to be confirmed by the shrine but will be around £140 this will include comfortable accommodation in the grounds of the Shrine and all meals in the Pilgrim Refectory.

A £30 deposit secures your booking.

The final payment will be requested a week before we travel (Estimated at £110).

The Shrine provides towels and soap.

There are many other facilities in and around the shrine, including the Norton Room Cafe and the Welcome Centre as well as the pubs, shops and cafes in the village. A torch is always a useful thing to bring as the village is quite dark at night.

It is vital to note that the shrine is very busy during this month and they do their very best to accommodate pilgrims requests, however, this is not a hotel and pilgrims are asked to be as accepting as possible when allocated their rooms. It might be that someone else's need for a particular room outweighs yours.

## What is Walsingham

Walsingham is a beautiful village in the countryside of North Norfolk. In the 11th Century a local noble woman called Richeldis had a vision of the Virgin Mary, who told her to build a copy of the house in Nazareth where Mary received the angel's visit. She did this and soon Walsingham became a major centre of pilgrimage and became known as England's Nazareth.

The Reformation brought all that to a sad end but pilgrimages were revived. At the beginning of the last century and the Shrine was rebuilt: Today Walsingham flourishes and the village is a place of holiness, beauty and peace.

There are two important aspects to a good pilgrimage. We seek God in prayer and worship. But also we seek him in each other and in shared enjoyment of a beautiful place. In our pilgrimage weekend there will be plenty of time for both! For more information, visit the shrine website [www.walsingham.org.uk](http://www.walsingham.org.uk)
