## October/November 2020 news

### From the rector.....

The last 6 months have been a challenge, frustrating, difficult along with much sadness but, there have been many positives for many people; spending more time with families (has been challenging at times too) but many parents have enjoyed time with children, not having to rush around etc.

It has been a learning curve – who knew that many of us would be attending services online and finding ourselves lost in worship in this unfamiliar medium? Lots of people have been joining morning or evening prayer either with our benefice, the cathedral or somewhere else, and it seems to me, talking to people, that many of us have grown spiritually in part because we have had more time to connect with ourselves and God – silence and solitude is often the place where we do this best.

Listening to the government today, it seems we are going to live with restrictions for another 6 months; if this causes you worry please get in touch, I may not have the answer but I know a man who does!! God does not promise to take his people out of difficult situations but he does promise to be with us in it, so don't suffer alone, speak to one of the ministry team or someone else you trust. I have heard the government say that we're in this together and, as Christians, we definitely are in this together, serving God and our communities, the best we can.

Worship and Church look very different at the moment but don't despair, there are plenty of ways of connecting with others – even Alexa plays Christian worship now!!

A reminder of what the psalmist said, *I believe I shall see the goodness of the Lord in the land of the living. Wait for the Lord; be strong, and let your heart take courage; wait for the Lord!* (Psalm 27:13,14) **God bless, Rev'd Susan**

## Returning to church services...

We will be adhering to strict government guidelines of social distancing, hand sanitising and mask wearing. We will also ask you for your names as you come into church, to be able to track and trace. The new guidelines make it compulsory to supply it.

**Our curate, Rev'd Gini, was ordained as a priest on 6<sup>th</sup> Sept!** Congratulations Gini! She says thank you to everyone for their cards, flowers, best wishes and the cheque from the benefice. We look forward to her ministering with us for the next 2 years.
