

You are invited to our Online Christingle Service

St Luke's Church and the churches of Messing, Inworth and Great Braxted will be joining together for an online Christingle Service for the whole family on **Sunday 13th December at 4.30 pm**. We'd love to see you there. For security, we'd like to email the Zoom joining link to you individually. Please contact Anne-Marie (amlrenshaw@btinternet.com) or Christine (thurstableteamadmin@btinternet.com) for the link.

You might like to make your own Christingle in advance to bring to the service. Here's how:

Christingle Method 1

You will need:

An orange

A sharp knife

A small piece of foil

Red tape or ribbon

4 cocktail sticks

Some dried fruits or soft sweets

A small candle

Cut a cross shape in the top of the orange deep enough to be able to put the candle in securely. Use a small piece of foil around the base of the candle to protect fingers from dripping wax.

Stick the red tape or ribbon around the middle of the orange.

Put some fruit or sweets on each cocktail stick and push them into the orange.

Christingle Method 2

If that all seems a bit too much, you can just use a birthday cake candle pushed into a satsuma – keep it simple.
