Christmas Reflections

Revd Elaine is offering a series of reflections over the Advent and Christmas period, with the title:

'The Hopes and Fears of all the years'

The reflections will ask you to think about the nature of our current COVID situation, both as 'Individuals in Isolation' and 'Individuals in Community'. Then, reflect on how similar life issues played out with the key characters and events at that very first Christmas.

The reflections will replace the usual compline and be available for 1 week from the date shown, via our website.
