

SWAINBY
ADVENT WINDOWS
2020

Shall we turn Swainby into a living advent calendar? Perhaps you have heard of similar schemes in neighbouring villages. How it works is - we need 24 or more houses each to decorate a window with a number in it (I will allocate these as soon as possible). You can choose to decorate the window in any Christmas theme you like, **but we must be able to see the number**. It needs to be lit so we can see it from outside. Google 'Advent Windows' for some ideas.

The village becomes an Advent Calendar, number one will be switched on at 4pm on the 1st December, number one and two on the 2nd December and so on. We plan to have a Nativity scene in the church porch as the 23rd and hopefully something extra for children on Christmas Eve, if lockdown allows! You will need to light your window, ideally from 4-8pm, each evening after your date. This way people can walk around the village to see all the windows. Like opening an Advent Calendar, until it is lit we don't know what to expect.

I hope to produce a map showing rough locations by number. If you would like to join in please can you email me with your name and address by 21st November (and preference for which week of December?)

THANK YOU EVERYONE.
