We're looking for an enthusiastic and dedicated person to take on the part-time role of 'Hall Manager' for Walmsley Parish Community Hall. The building is at the heart of Egerton Village and used by lots of different people from Playgroup and Afterschool clubs, to Theatre groups and even weddings! We want it to remain as a facility for everyone to use for years to come, and need someone with lots of energy and ideas to help make that happen. This role will also incorporate taking occasional booking enquiries for St Andrew's Bromley Cross, our sister building.

ROLE PURPOSE:

The Hall Manager plays a crucial role in the smooth running of the building, and works closely with the trustees (Christ Church Walmsley Parochial Church Council) to ensure our buildings are vibrant and well-managed facilities that can run sustainably for the benefit of local residents and organisations. As well as the day-to-day management, an important aspect is also to look for opportunities for improvement and to maximise usage of the space.

ROLE DUTIES:

The description below gives an indication of the types of day-to-day tasks, and the overarching responsibilities of the Hall Manager:

- Take enquiries for both Walmsley Parish Community Hall and St Andrew's via the website or through email / phone calls

- Proactively find new bookings and publicise events to increase use (e.g. through social media)
- Balance the needs of each user group for the Hall as a multipurpose building

Liaison with users:

- Show people around for potential bookings and answer queries
- Confirm details and requirements before the event to ensure they run smoothly
- Communicate between different user groups and equipment owners (e.g. lighting)
- Manage storage and other potentially conflicting needs of different users

Event management:

- Unlock and lock Hall for occasional users, parties etc. and check after use
- Attend on the start date of recurring bookings to organise keys, health and safety briefing including burglar and fire alarms, location of Emergency exits, First Aid Box and Accident book
- Operate as a Premises Supervisor on behalf of the PCC for alcohol sales and consumption
- Fulfil the Church's Mission Action Plan of community outreach and manage relationships with other Church buildings and organisations

Finance:

- Prepare invoices and keep simple spreadsheets for accounts
- Banking, including depositing of cheques
- Manage bills and expenses with Treasurers, including looking for cost efficiencies where possible

- Put together bids for grants and search for other sources of funding to secure the future of the Hall and raise money for refurbishment

Maintenance:

- Update heating settings based on usage and manage other utilities
- Manage facilities and equipment including re-stocking of sundries
- Oversee cleaner and arrange cleaning supplies
- Undertake or arrange for general maintenance to be carried out, including repairs or upkeep
- Create, maintain and update health and safety procedures to ensure compliance with latest legislation
- Conduct regular health and safety checks, and arrange for any necessary external safety inspections
- Keep a record of all user groups' policies and ensure compliance

SKILLS AND EXPERIENCE

The continued viability of the Hall will rely on the organisational and personal skills of the Manager and their communication with all members of the community in working alongside the Trustees.

The core skills for this role are people skills, and we are looking for someone to really bring the spaces to life. Though we suspect the person appointed is likely to have a good number of the following skills or experiences:

- Knowledge of and interest in the local Egerton / Bromley Cross community
- A professional attitude and approach with excellent written and verbal communication
