# Wired to the Moon

Dear Friends

## Easter 2021

It was such a joy to celebrate Easter as we gathered in church and via zoom – unlike last year when the churches throughout the land

were locked due to Covid regulations. Whilst our numbers were restricted to comply with our risk assessment and we could not sing 'Jesus Christ is risen today', we greeted the risen Christ with thankful hearts. We are grateful to our bellringing team who ensured we were called to worship.

## Prince Philip

The funeral of Prince Philip was dignified and appropriate. The Duke's wishes were honoured in St Georges Chapel Windsor. Her Majesty the Queen again demonstrated great resolve in the darkness of her grief. The faith of our monarch was on full view and those who witnessed the service would be uplifted and challenged as we saw the pain of bereavement being borne with such stoicism. As a parish, during our services on the 11 April, we held a minutes silence before each service and Sarah played the National Anthem. Stuart Crosby, The Captain of the Bellringers tolled the bell 99 times at noon on the 10th April and a bell was tolled prior to the funeral service on the 17th. Once again, we value Stuart's important ministry.

## Paschal Candle Stand

You may have noticed a new piece of

church furniture in the Sanctuary. This is a fine wooden stand to hold the Paschal candle and replaces the one made by Tony Lindsay. The new stand has been gifted by Joan Hopcraft and made by Mike Hopcraft. We are most grateful to Joan and Mike for this.

## Work on and around the church

In the past few weeks, the rotted timber guttering to the North side of the vestry has been replaced with substantial UPVC gutters and downpipes. In addition the 'lean too' structure to the west side adjacent has been removed. This was deemed to be an unsafe structure which was originally erected to protect the access to the basement. This has been replaced by a substantial metal cover. We are grateful to Paul Santus for organising this work and for carrying out the replacement of the gutters. Thank you Paul.

## Schedule of Services

We continue to hold services within the guidelines issued by the Church of England in compliance with current Covid Regulations. The services schedule included in this edition of The Voice has been amended to offer worship at 6.30pm on the 1st and 3rd Sunday of the month. We have made this amendment in an attempt to offer a break for those who lead worship, reflect read pray, but also the group of volunteers who clean the church between services. The pattern of worship is under regular review as we gradually emerge from the restrictions. The decisions will continue to prioritise a safe space in which we gather for worship.

Please note the 6.30pm service on Wednesday 12th May is cancelled and replaced with a service of Holy Communion on Ascension day, Thursday 13th May at 6.30pm. This leads into Pentecost on the 23rd May.

## APCM

The Annual Parish Church Meeting will take place in church on Tuesday 25th May at 7pm.

What, you might ask is the APCM?

The APCM is the Annual Parochial Church Meeting. Actually, it comprises two meetings; the 'Vestry Meeting' which elects the Church Wardens for the coming year and the APCM itself which is the business meeting of the Church, it's a sort of AGM for St James'. It's a meeting we're legally required to have and must take place before the 30th May each year. The meeting is only open to members of the Church electoral roll, or live within the ecclesiastical parish boundary, and those present vote on the appointment of PCC\*\*members, Deanery Synod representatives once every 3 years or when there is a vacancy. The APCM also receives and accepts the audited accounts of the Church. In addition to these important aspects of governance, it is also an opportunity to catch up with the events of the last year (albeit this year it will be reflecting on a year impacted greatly by Covid 19) Most of all, it's a CELEBRATION of all God has been doing in the life of the Church as we look forward to the coming year.

\*\* What is the PCC? PCC stands for 'Parochial Church Council' The group that has the responsibility for managing the financial and legal responsibilities of the parish. Also responsible for vision, staff

management, building management, resources management and so on. Members of the PCC are elected for 3-year terms at the APCM.

Notices of the meetings are posted in church near the main door and nomination forms will be clearly available in church from the 9th May for the election of two churchwardens, twelve positions on the PCC and two vacancies on Deanery Synod. Qualifications and entitlement to nominate, second and agree to stand for all positions are contained within the nomination forms.

If you have any queries, please do contact me.

This has been a business-centred Wired To The Moon however it must not detract from our core mission of serving God and providing opportunities to draw closer to Him. We do well to reflect on Paul's letter to the church at Corinth. 1 Corinthians Chapter 12 verses 27-28 is a well known passage and says the following: 'Now you are the body of Christ, and each one of you is a part of it. And in the church God has appointed first of all apostles, second prophets, third teachers, then workers of miracles, also those having gifts of healing, those able to help others, those with gifts of administration, and those speaking in different kinds of tongues.'

Whatever gift we have we offer it willingly to the Lord. May God grant us the gift of wisdom to discern our gifts and how best we can use them to His Glory.

With every blessing

## Hymn

Loving Shepherd of your sheep,  
all your lambs in safety keep;  
nothing can your power  
withstand,  
none can pluck them from  
your hand.

May they praise you ev'ry day,  
gladly all your will obey,  
like your blessed ones above,  
happy in your precious love.

Loving Shepherd, ever near,  
teach your lambs your voice to  
hear;  
suffer not their steps to stray  
from the straight and narrow  
way.

Where you lead them may  
they go,  
walking in your steps below;  
then, before your Father's  
throne,  
Savior, claim them for your  
own.

# Brindle Historical Society

Rev'd Keith Richardson, delivered his talk on William Pickles Hartley on 19th April.

Jam-maker and devout Primitive Methodist layman, Mr Hartley used his considerable wealth and influence to promote the advancement of the Primitive Methodism. Born in Colne, Lancashire, on 23 February 1846, he left school at 14 and worked for 2 years in the family shop, before starting wholesaling and retailing on his own in 1862 at the age of 16. When a supplier of jam, it is

said, was unable to supply an order, he was forced to make his own. His home-made jams, marmalade, and jelly, supplied in earthenware pots, became so successful that in 1874 he opened a small factory in Bootle because the transport links (rail and sea) were so much better than in Colne. Later, in 1886 he transferred to extensive premises at Aintree; and in 1900 he added a factory in Bermondsey, London, which employed some 2,000 people, to serve customers in the south of England. A conscientious and paternalistic employer, he built model village for his employees at Aintree and in 1889 introduced a profit-sharing scheme.

A private vow on New Year's Day 1877 to donate a tenth of his gross annual income to religious and charitable purposes proved a landmark in his career and in his later years he was giving away up to a third of his entire income, while also encouraging others involved in the projects to give more willingly themselves.

He was knighted in 1908 for his commercial and philanthropic work and was elected Vice-President of the 1892 Methodist Conference and President in 1909, the latter being a singular honour for a layman. He died at Birkdale, Southport on 25 October 1922. A Hartley Memorial Fund was launched to support the training of medical missionaries and needy students; and a bust of Sir William was placed in Hartley College, Manchester (formerly the Manchester Theological College). His funeral took place at Southport and he was interred at Trawden where a memorial was erected in his honour. It has often been suggested that Wallace Hartley, the bandmaster who kept the band on the Titanic playing as the ship sank and was drowned, was a relative; but this was not apparently the case.

The family firm survived two world wars, but in 1959 became part of the international food and drink empire Schweppes. Hartley's jams are now produced by Premier Foods.

Our next talk will be on 17th May at the usual time of 7.30 pm. The speaker will be Steve Ashcroft and the subject will be The Preston Tram Road. The Tram Road was a five mile temporary structure to link the northern and southern sections of the Lancaster canal (between Walton Summit and Preston north of the Ribble) and was completed in 1803. It was never replaced by a canal due to the rise in popularity of the railways. Steve will give us a history of this local feature. As the Hall will still not be open, the meeting will have to be held by Zoom, and a link to the meeting will be sent to all members in due course. Any non-members who wish to come should (as before) please send an email to [brindlehistoricalsociety@outlook.com](mailto:brindlehistoricalsociety@outlook.com) and ask to be sent the link.

Any queries please contact Henry Stone either by telephone (Land line 01254 854290) or by email ([henry.stone.t21@btinternet.com](mailto:henry.stone.t21@btinternet.com)).

Please look on our web site or Facebook page for information about the Society's activities.

As a church, Brindle St. James relies wholly on donations to operate. We want to continue strengthened by the knowledge of our fellowship and the love our Lord has for us.

If you normally donate using envelopes, we are asking you to consider giving by bank transfer or standing order; and if possible, increase giving to ensure our church's ministry can continue and be sustained.

If you would like to know more about how your money is used, you can read the leaflet produced in October 2020. Please find the link on our website.

Be scam aware and never respond to a direct request. Nobody from church will ever ask you personally for money.

Thank you

# Little Cuckoos

— With the lovely sunny weather we have had recently, I know lots of you will have been playing outside and maybe even taking photographs. The children from Brindle St James School took part in an Easter photography competition and I wanted to share their beautiful photos with you.

Below: Class 1 Winner Holly Barrow photographed this handsome Canada goose on the canal bank. The reflection on the water is perfectly framed!

Above: Class 3 Winner Willow Kerr photographed this glorious display of daffodils by the fountain at Astley Park. Simply stunning!

Above: Class 2 Winner Ella Durkin photographed these fancy poultry all lined up as if waiting for a family portrait. Fabulous!

Do you have any photos you would like to show to our Church family? I'd love to share them in the Brindle Voice. Please send your photos to:

# Brindle Parish Council: Local Information

Welcome to May's Parish Council alerts. This month, we have advice on protection – for both your car and for your email and social media accounts. There's also, as usual, a range of scams to avoid.

## PROTECTING YOUR CAR

One car is stolen every ten minutes. Most car crimes happen because cars are left unlocked. There is a misconception that some cars are auto-locking and lock themselves if left unattended after a period of time. This isn't always correct. Another misconception is that your car is too old and no one will bother stealing it. This is also incorrect – both new and old cars are at risk. The good news is that there are simple steps everyone can take to help reduce the risk to their car.

The Neighbourhood Watch charity suggests that, to protect your car, keep it locked, lit and empty. 44% of cars are broken into via an unlocked door. 80% of car crime occurs during the evening or at night and parking near street lamps or in a

busy area can deter thieves. Also, owners often forget that personal belongings within the car are at as much risk of being stolen as the car itself.

## PROTECTING YOUR ONLINE ACCOUNTS

If a hacker got into your email or social media account, what would they find? Health and banking information? Names and contact details for your friends and family? Private photos and messages? For most people, it's at least one of these. Between February 2020 and February 2021, Action Fraud received 15,214 reports about email and social media account hacking. The majority of reports (88%) were made by individuals not businesses. Facebook, Instagram and Snapchat were the most affected social media accounts, with phishing messages being the most common tactic used by cyber criminals to lure unsuspecting victims. Some victims are extorted for money, whilst others have their accounts used to send malicious links to their contacts. One victim who had multiple email

and social media accounts hacked paid over £2,000 to regain access to them. Another victim reported that her hacked Facebook account was used to trick her friends into sending money into a PayPal account they thought belonged to her.

Secure your email and social media accounts by:

- 1: Using a strong and separate password for your email, as well as for other accounts such as your banking or social media accounts.
- 2: Enable two-factor authentication (2FA). It will help to stop hackers from getting into your online accounts, even if they have your password.
- 3: If you can't access your account, search the company's online support or help pages. You'll find information about how to recover your account.

For detailed instructions on how to reset your password or enable 2FA on your accounts, visit: <https://www.actionfraud.police.uk/secureyouraccounts>.

## HMCTS SPOOFING PHONE CALL

Beware receiving a call alleging to be from the HM Courts and Tribunals Service (HMCTS). Scammers mimic legitimate phone numbers (spoofing) and may allege that you owe HM Revenue and Customs (HMRC) money and that a warrant for your arrest has been issued. Scammers may also tell you to look up contact details for HMCTS to verify the number they are using to call. Note that HMCTS is separate from HMRC and will not call or email you about tax matters. If you receive a call or email, or any type of contact, do not provide any personal details or make a payment.

## SCAM WARRANTY TELESales

Use caution if you are contacted by a telesales call offering to sell you a warranty or home appliance insurance. While many cold calls are trying to sell a new policy, many claim your existing cover is expiring and you need to renew, regardless of whether you had cover in the first place. Householders suffering from dementia have

been particularly targeted, with attempts to sell insurance for items that the householder does not own or worth considerably less than the cost of the insurance. Businesses offering insurance policies should be registered with the Financial Conduct Authority who also offer an ombudsman scheme. Check the register at [www.fca.org.uk](http://www.fca.org.uk).

## PHISHING SCAMS

Be on the alert for a phishing email purporting to be from TV licencing that states that due to outdated TV account details, your account will be suspended unless you provide your date of birth, current address, telephone number and payment method. The email provides a link to 'Visit TV licencing now'.

Beware of a fake Sainsbury's email stating you have been selected to participate in a gift card giveaway. The recipient is invited to enter personal information on a linked website. Similarly, be on the alert for a phishing email alleging to be from Just Eat offering a £50 gift card, again taking you to a link requesting personal details. Also doing the rounds is a phishing email alleging to be from Yahoo asking you to upgrade 'here'. There is a DVLA phishing email from the email address: 'G.O.V.U.K'. This states that payment for your latest vehicle tax invoice failed and that some of the billing details associated with your account might have expired or were otherwise changed. You are invited to click on a link to a secure page to enter your details.

Phishing emails can look as if they have come from a trustworthy entity and can make you panic into divulging personal information, often implying a service will be withdrawn or you will not be 'legal', or tempt you by the lure of a refund or a voucher. If you have received a suspicious email, forward it to the Suspicious Email Reporting Service (SERS) at [report@phishing.gov.uk](mailto:report@phishing.gov.uk). Scams can also be reported to Action Fraud. Contact them on 0300 123 2040 or at [www.actionfraud.police.uk](http://www.actionfraud.police.uk).

Keep safe and well!
