

Help — Help!!

Think about, and write down some names and places.

Who helps me? —

Who can I help? —

When do I need help? —

What can I do to help? —

Think about these questions, write down your answers — now pray for the people you have help from ~ and that you might help.

Make a card for
someone who
helps you ~
to say
"Thank you"
and give it to them.

Thank

You

Decorate it with something you
know they like.
