Living in Love & Faith (LLF) Lent Course

This course from the Church of England is a chance to explore important issues of identity, sexuality, relationships and marriage.

It is an opportunity to discuss and shape the direction of the Church of England on these issues as at the end of the course you will be shown how to complete a questionnaire and submit your thoughts to the Bishops of the Church of England.

We are offering sessions in the afternoon and the evening on Wednesdays during Lent so people can join in at a time to suit them.

The afternoon session begins with tea and cake and the evening session begins with a Fish Supper.

See posters or contact your local clergy for more details
