

Ancaster Churchyard Memorials [PART 1] - NUMERICAL List

The following list, produced by James and Cheryl Gallimore in 2021 is based on that compiled (in 1980) by Philip Tuxworth. Shelley Clack produced (in 2006) a similar list, and also recorded those individuals having memorials within Ancaster Church. Memorials within the church are not included as part of the current work.

Philip Tuxworth's recordings usefully trace a route around the churchyard, but neither he, nor Shelley Clack used a plan to indicate the position of individual gravestones within the churchyard. A plan has now been produced to accompany the present tabulated list which also contains many Gallimore additions (G) previously considered 'unreadable' (a number of earlier gravestones having been deciphered). Some Tuxworth records have been corrected or amended (G*). The present plan divides the churchyard into a number of zones A - J to guide the user to the general area in which a gravestone can be found.

Note: The table below is a summary document, listing only the names of individuals included on each gravestone, and their year of burial.

See: Ancaster **Churchyard Memorials [PART 2]** for the detailed information inscribed on each gravestone.
