

Welcome All!

Welcome to the **Petal and Purl Festival**, a special and exciting event to celebrate the **800th Anniversary** of the St George of England Parish Church in Toddington.

Proceeds raised will go towards maintaining the Church as a special place of prayer and worship for the benefit of Toddington Village, the community it serves and for future generations.

At this festival you will be able to see vibrant **Flower Arrangements** and **Knitting Displays with mannequins**, lovingly prepared by members of the community.

These celebrate 800 years of church life and worship with scenes depicting church festivals and special moments such as Christenings/Weddings, a Fruit and Vegetable Garden for Harvest time, Messy Church and the local Church School.

All these displays have been created through the hard work of villagers, their families and friends over the last 12 months. Some have taken up knitting for the first time and it has now become a hobby. **A big thank you** goes to all of those involved in making this Petal and Purl Festival possible

During the Festival **refreshments will be served in the Wilkinson Hall**, where there will also be a number of stalls selling local crafts.
