

All Saints Awbridge Church News July 2025

*"And what does
the Lord require of
you, to love mercy
and to walk
humbly with your
God"*
Micah 6 v8

We have all been able to enjoy some lovely summer sunshine recently and watch wildflowers and wildlife thrive in our gardens and in our church grounds. In July we have our popular BBQ with trains event, at Chanwel, the home of Fred and Lynda Tucker. This will be on Sunday 20 July and tickets are available from James Alexander 07785 724531 or email: jalexander350@gmail.com (see separate invite for details). Please book your tickets by Wed 16 July.

During May/June we enjoyed all the wildflowers in the churchyard so we could see how diverse the habitat is for many plants and insects in our locality and in addition our new meadow area is full of new flowers and grasses. We also enjoyed a spring walk round the village and along some of the Test Way.

In July the church will be visiting Awbridge School, with Prayer Spaces in Schools, for Year 6 to explore ideas around transition and change as they move on to new challenges and new schools in September.

At the end of May we celebrated the wedding of Brendan and Georgina and we wish them well for their future together and then in June we welcomed Charlotte and her family for her baptism and enjoyed being able to celebrate this event with them.

Messy Church in May experienced the feast of Pentecost with plenty of Messy activities included, the next Messy Church will be at the end of the summer holidays, Friday 29 August, 3 30-5 30pm at Braishfield Church Rooms.

Eco Tip for July: How plastic free can we be?

This is a great opportunity to review where we might be able to reduce single-use plastics in our lives. Being part of *Plastic Free July* can help us find great alternatives that can become new habits forever. Paying attention to what we consume and its effect on God's earth, can lead us not into guilt, but into action and prayerful determination to see change where it's possible. Read more about the effects of plastic at arochoa.org.uk/plastic-summer.

We hope you can enjoy the good weather as the summer holidays come around and spend time together with family and friends.
