

All Saints Church Sudbourne

We're
upgrading
our heating and
inviting ***you to be
part of the change***

We need
your help to
warm *All Saints*,
the **green way!**

A warm
church means
a more welcoming space
for services, community
events, and gatherings—
all year round

Together, we can make
All Saints a cosy, inviting
place ***for everyone***

New electric heating in every pew
Powered by renewable electricity
Replacing our old, unreliable
oil-fired system
Cutting our carbon footprint
and energy bills

OUR GOAL: RAISE £40,000

We're already receiving generous
grants from charitable trusts,
now we're turning to our
supportive local community
to help us reach the finish line
Every donation is gratefully received

DOUBLE YOUR IMPACT

Thanks to the Church of England's
Give to Go Green Scheme every £1
you donate will be matched
pound-for-pound between
11th August and 21st September 2025
