

Chulmleigh Parish Church St Mary Magdalene

Unstable Headstones

Notice is hereby given that
The Church Council and
North Devon District Council
will be conducting a
SAFETY INSPECTION of MEMORIALS
in the Upper and Lower Churchyards
during July, August and September 2025

Where testing shows that a headstone is unstable
it will be temporarily supported to enable repairs to
be undertaken.

Where testing shows that a headstone is unsafe it will
be laid flat ensuring that the inscriptions are still
visible.

We will endeavor to contact the families to see if
these headstones can be reset. If this is not possible
they will remain laid flat as this is the safest option.

11 July 2025

“We want to see Jesus. Can you help us?”
John 12:20-21 (The Message)
