"Care, listen and help" for those on the streets within the night-time economy. We support the vulnerable or those who simply need someone to talk to, predominately between age 18 and 30. They know that we are all Christians who give unconditional and confidential help, with no strings attached.

Please pray for :- Safety for the volunteers whilst on the street, Opportunities to talk about our faith, Liaising with the various door stewards, Positive links with the local constabulary and councillors, Joanna Hancock and Mel Rogers and others from our parish who pastor or pray. Summer Eco-Tips

Help birds and hedgehogs in hot weather. Keep your bird bath topped up and if you have a pond, ensure there's always a way for hedgehogs and other small mammals to climb out if they fall in. Leave out a juicy snack such as mealworms.
