Tablet Blister Pack Recycling Petition

We would love it if we could stop empty Tablet Blister packs from going into landfill and to make it easier for everyone to recycle them by making it possible for people to recycle their empty blister packs at any outlet which dispenses them. We have had a petition published – **“Require recycling facilities for blister packs in all dispensaries and chemists”**

We would appreciate you signing the petition, you just need to click this link <https://petition.parliament.uk/petitions/714733> If you can share it far and wide to spread the word that would be great too. Thanks, in anticipation.
