Why we need your support

We receive no regular funding from the Government or Church of England to look after this ancient building. We rely on donations to pay the bills, keep our doors open and to offer a warm welcome.

Gifts from our community and supporters are vital to our church's life and work, as we continue to serve those around us and safeguard the legacy of faith, music and worship which we have inherited.

How your regular gift makes a difference

Regular giving allows us to plan financially and to grow our church both now and in the future.

In 2024 it cost **£206 per day** to keep St Giles open, warm and fund its mission and ministry in Codicote.

Your generous giving means that in addition to general running costs we can run groups like Tots & Tinies, provide craft activities at Cafe Church, produce a welcome leaflet for those moving into the village, repair flooring in the church and plan new groups for 2025/6 for families and young people in Codicote.
