

## MISSION GIVING at St Peter's Littleover & Blagreaves

St Peter's Church is committed to giving 10% of our freewill offerings to support the mission of others outside the church family.

In 2021, following consultation with the congregation, the PCC decided to support the organisations listed overleaf until for a period of three years until 2024.

This means that the money we gave in January (retrospectively in respect of our income in 2024) is the last payment in this review cycle. We now need to review this giving for the next three years so that we can notify our mission partners of any change to our giving.

We recognise that the money we give is gifted by **you**, the church family, and **we would like to hear your views on the form overleaf** as part of our review. We will prayerfully consider all feedback before making a proposal for mission giving for years 2025-2028 at the PCC meeting on 30 September.

Please ask God to help you as you complete the form before you **return it to the Church Office by Sunday 28 September**.

**Review of our giving – let us know your views**  
**We give to local groups, national charities and international mission partners**
