Light Reflections...The Gospel

"Let your light shine..." (Matthew 5.16)

Autum is here. The leaves are changing and falling. The cold is starting to set in. The days are getting shorter and darker. Excitingly our Harvest Festival is just around the corner. I have always loved Harvest. The orange and yellow colours. The generosity as we share what we have. The thanksgiving of what we have received. Even growing up in London Harvest Festival was always a special Sunday in church and a joyful celebration, even though the most of us did not grow anything ourselves, or if we did it was just from a small allotment or garden.

I know that for many people in our Benefice Harvest is a lot more than a Sunday celebration. The harvest affects livelihoods of our farmers and like many things in life can be beyond any human's control. No matter how hard we work or what we do, we cannot control the weather. How much rain falls, how much sun shines on the fields and hills. In the end we turn to God to provide. Whether farmers or not, there will always be things beyond our control. Sometimes these will work out how we want, sometimes we will have to face the difficulty of when things do not go our way despite our best efforts. And so in Harvest, this October, we give thanks for what we receive. And in gratitude we share with others. Let us pray for the care to grow as the people God makes us to be. May we all give thanks for all that God provides us and may we support one another in generosity and love.

Church Yards

Our graveyards are important to us, they are the places we remember the people we love and can help in our grief. We are lucky as a benefice that our churches have graveyards that can be used for both traditional burials and burials of ashes. However, these church yards take a lot of time and effort to maintain. I would therefor like to extend a big thank you to all the people who helped with our Church Yard Tidy up days in September and to those who regularly care for our church yards as volunteers. We will be doing church yard tidy up days in the future so please keep and eye out for those dates. If you would like to help more regularly with our church yard care please do be in touch.

To support and guid parishes in their care of graveyards, the Diocese produces the graveyard regulations which PCCs adopt. A full version of these can be found on the Diocesan website ([Churchyard regulations The Diocese of Blackburn](#)). The aim of these regulations are to preserve the graveyard for all current and future users, to preserve its historic characteristics and to guide parishes and users in the care and maintenance of the space. Part of these regulations include guidance on memorial stones as well as what can be left at graves. They unfortunately do not allow the leaving of additional statues, plaques, additional flower vases, lanterns or similar items and only really allow the leaving of flours. They also do not allow the planting of plants or shrubs within the grave space. As Parishes we are responsible to try and keep to these regulations which may sometimes result in items being removed from graves. If this is done by the church the items will be kept for a time and can be collected. I deeply apologies for any upset this may cause people. If you have any questions or would like to discuss any of these please do be in contact with me.

Our church yards are a gathering place as well as a place of mourning and celebration of the lives of those we love. To try and preserve and care for them it takes us working together.

Rev. Nathaniel Gilmour

United Benefice (Balderstone, Mellor & Samlesbury) Churchwarden's meeting

2nd September 2025

Present: Nathaniel Gilmour, Mary Shorthouse, Lloyd Brown, John Eastham & Paul Daunton.

Apologies: Ryan Dixon & Sarah Lees

The meeting opened with a thanks to Mary for hosting and a prayer.

1. The Diocese Renewal program for the benefice starts with a meeting at Whalley Abbey on Wednesday 3rd Sept and Nathaniel will be attending with a member from each parish. Feedback from this initial meeting will be given to the concurrent PCC meeting planned for Tuesday 9th of September.
2. There has been a recent problem at Mellor church's graveyard regarding some damaged headstones. There was confusion over how this had happened resulting in an erroneous report of vandalism. The church wardens have agreed that in future all 'rocking tests' of graveyard headstones should be conducted with a church warden in attendance and that Parishes should ensure that the Diocese Churchyard Regulations notice is prominently displayed.
3. There was some discussion about how we manage our social media sites, and we agreed that future posts on these, other than those concerning services or church events, should be discussed with a church warden before publication.
4. Balderstone are hoping to set up a 'Friends of Balderstone church' group and it was felt that this may be a good idea for all parishes if successful.
5. Nathaniel is planning on having a 'Plough Monday' service in January 2026 to which local farmers would be invited to have their ploughs blessed, followed by refreshments – a suitable venue needs to be found, but Sarah and John have some ideas for this.
6. It was suggested that we hold a dinner/dance event for the centenary mission weekend on Friday 11th of September 2026 and Mitton Fold was looked at, however the cost of this venue was felt to be very high. Another venue will be looked at and we are hoping to form a small working group of parishioners to help plan and organise the weekend.
7. Sam has asked to stand down from her church admin role due to other commitments, so it was agreed to approach Laura to see if she would be willing to pick up the extra tasks, otherwise the post will need advertising.
8. The Advent bible study course is to go ahead, with an option to do this online via Zoom or an in-person meeting depending on numbers – it is hoped to provide details in next month's UB magazine.
9. The Pastoral scheme will be mentioned at the next PCC meeting to see what the next steps might be, and it was felt that this may become a natural part of the Renewal program discussions/plans.

The meeting closed with the Grace.

The next meeting is planned for the 16th of October 2025

St Mary's Church, Mellor – News and Events

Mellor Mother's Union

The Mother's Union meeting on 9th September 2025 was opened by Rita Gorman and after prayers, introduced Janet Hindle, our speaker for the evening. Poised behind a music stand and holding a ukulele, Janet asked us if we all had song sheets and prepared notes which gave us a good indication of a proposed musical evening and that her talk would feature songs, but particularly, as Janet declared to us, "Stories of Hymns".

Being a member of Balderstone Church and a ukulele teacher of the Youth Ukulele Group, music is of great interest to Janet and has taught music in school to children from Reception class up to Year 6. Referring us to our notes, Janet talked about historical composers of famous hymns and asked we all join in to sing along with her.

We began with John Newton, the composer of "Amazing Grace" and Janet gave us some background and how the hymn came to be penned after a life, by his own admission and well published, of lack of morals and values, and an eventual conversion to Christianity after a near death drowning. The hymn became world famous and is sung by all faiths and religions.

Following on with the composer Carl Boberg, a Swedish preacher, who is known for many poems, hymns and gospel music, Janet referred us to one of his more famous hymns, "How great Thou Art". It was written in Swedish however after a passage of time translated into English and now a great favourite all over the UK.

Our evening continued with singing and interludes of facts of historical and modern composers including, George Bennard (The Old Rugged Cross), Cecil Frances Alexander (There is a Green Hill), Graham Kendrick (Servant King), and Kevin Mayhew, a student of Westminster Cathedral Choir School, and well known music publisher who composed "Peace Perfect Peace".

Members enjoyed the audience participation and Margaret Baldwin, (member and choirmaster at St Mary's church) seemed most pleased with our renditions. Margaret closed the evening by thanking Janet and offering her a small gift of our appreciation.

Mellor Card Ladies – Recycled Cards

During July we supported the Wandering Roses who had arranged a bike race across Lancashire to raise money for the Lancashire Women Charity. We are pleased to say that Helen Webster came 4th in the race and that the total raised by the race was £23,500, we are glad to be of help! This month we have sponsored Ruth Metcalf to the tune of £25, she is running 13.1 miles through London parks on 12th October to raise funds for the Teenage Cancer Trust. Good Luck Ruth! This month we have also given £25 to Mary's Meals Charity who aim to provide one meal a day to children of the third world. We passed the money to Ruth Mather who is supporting this charity. Once again, a big thank you to all who of you support us and enable us to make these donations.

Little Angels

It was so lovely to welcome back our little angels and their families in September. As it was so close to St Michael's Day we were happy that Rev Jane talked about angels and brought some of her angels to show us .

The children then decorated angels with stickers and glitter.....sang songs and made a lovely noise with bells and shakers... What a happy afternoon....but we did miss Hilda (who is now recovering well after a stay in hospital)

The next meeting will be on Tuesday, 4th November when we look forward to welcoming preschool children for an hour of fun

News from the Classroom....

Welcome to another academic year at Mellor St Mary. We have lots of fun and exciting learning experiences taking place from Reception to Year 6, starting with Class 3 and Class 4's trip to Outdoor Element. The children will learn to survive in nature and face some exciting outdoor challenges as well as develop their team building and resilience abilities, which as we know are crucial skills needed as they journey onto adulthood.

Children having a say in our school's life and improvement journey is very important to us all in school. School Council allows children to gain a greater understanding of democracy and respecting the rule of law. Sports Council and Faith group help to build up their understanding, tolerance and promotion of individual liberties, whilst our Eco Warriors focus on courageous advocacy, all of which are part of our fundamental British Values. So it is with great pleasure that I can announce our new pupil voice groups for 2025-26:

School Council : Lucy, Hana, Florence, Jack M, Albie, Poppy, Arthur S, Amelia-Lily, Olivia, Alissa and Leo

Eco Council: Ambi, Ammar, Reuben, Annabelle, Ethan, Margot, Elsie, Isaac, Leo, Maisey

Sports Council: Isabel A, Raiyah, Eli, Rosie, Alfie, Henry , Mackenzie, Penelope J, Stan, Maisey, Leo and Harry

Already this year, our new school councillors have been busy at work, starting off with a cake and coffee afternoon for Macmillan Cancer. A huge thank you to those who donated cakes or came to the event, which raised just over £415.

Following the success of last year, School Council have also started to plan out our P.A.L.S events for this year. If you live alone, are feeling lonely or would just like some fun company then why not pop along to school and meet our school councillors who would love to spend some time with you. Further details are on the poster.

Mission Praise in September!

So a new academic year begins and we started with that wonderful story by Shirley

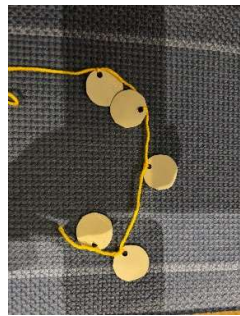

Hughes called Dogger. It's all about the loss of a soft toy and the anxiety that causes a small child. That attachment that we have with a toy when we are small is very strong. Even as adults we can still remember how secure and safe our favoured toy made us feel. Did you have one?

Our bible reading was Jesus' parable about the lost coin and how the woman searches every corner of the house until she finds it. He is reminding us that it is God's desire that all of us will be saved. Jesus misses us more than a

small child misses his lost toy and just as a small child finds such great comfort in that toy so we find comfort in our relationship with God.

Of course this meant we had to find lost coins around church and to make it more interesting we did it with blind folds on. We were thinking about how we lead each other to God by our actions and our prayers. Each pair had to lead a blindfolded person to the chocolate coins which were held by some of the adults because it is in our relationships that faith develops.

For our prayers we thought about all the awesome things we see in the world around us. Those things which lift our spirits and make our lives worth living. All those wonderful gifts God gives us were recoded onto our own coins, making our own headdress, just like the woman in the parable. So we could go through the week thinking about the special relationship Jesus offers us and the awesome gifts he places around us. Have you noticed how awesome God is?

I was also able to take a shortened version of this service into all three of our primary schools during the following week.

Pam Daunton.

Matthew 5: 14-16

SEPTEMBER 2025 – WELCOME BACK TO A NEW SCHOOL YEAR!

As we begin a new academic year, it's been a delight to welcome our new families to Samlesbury and to see how confidently our new Reception children have settled into school life. From the very first day of the year, all the children have again impressed us with their joy for life and learning, their kindness as friends, and the way they embody our school vision to "Let your light shine" which is based on Matthew 5:14–

16. Each day, it is a privilege to see our school values lived out daily in both words and actions by everyone in our school family. We look forward with great anticipation to the year ahead — to the rich learning experiences awaiting us, to trips and visits that will broaden horizons, and to welcoming guests into our schools!

We are especially pleased that Rev. Nathaniel will be spending more time with us this year, helping to deepen our spiritual life together as well as having fun as we explore the bible. We also extend our huge appreciation to our dedicated governing board, whose interest and support is an invaluable part of what we do.

We think the best way to capture what a positive and inspiring start we have once again enjoyed this year is through sharing some photographs of our amazing children, which we hope you will enjoy! We are very proud of

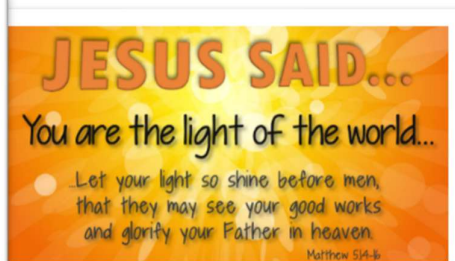

them all!

If you are considering a school place for your child, or would simply like to see us in action, we warmly invite you to our Open Afternoon on **Wednesday 8th October, 1:30–5:30pm** — it would be a pleasure to welcome you!

Balderstone Mothers' Union

At our September meeting our deanery chaplain Rev. Barbara Knight took a short communion service. She also gave us a short reflection on all the different names used to refer to Jesus. It was amazing how many there were!! It was a lovely meeting, our thanks to Barbara.

Our next meeting in October has had to be changed to the 28th instead of the 21st when we will have a short service for our part in the wave of prayer. I hope to see many of you then.
