'LOVE IN A BOX' CHRISTMAS SHOEBOXES

real people making
a real difference

Thanks to the generosity of people in Derby, including the congregation at St Michael's, we were able to send 3,110 shoeboxes of gifts last year, in a national total of over 60,000, to vulnerable children and families in Ukraine, Moldova, Romania, Georgia and Bosnia. Soldiers on the front line in Ukraine were able to request shoeboxes to be delivered to their children and they were also delivered to other disadvantaged children in nurseries, schools, hospitals and orphanages.

If you would like to bring some joy into the lives of children and families living in poverty this Christmas, just fill a used shoebox (or a flatpack one that we can supply) with gifts and leave it in church or at any Derby branch of Co-op Funeralcare by 20th November. Leaflets can be found at the back of the church. Please contact John Worthy for any further information, on worthyshoebboxes@gmail.com or 07790 759078.

Longford Pyjama Appeal

It's that time of year again where I am collecting pyjamas for children who are unexpectedly admitted to hospital and don't have any comfy pyjamas to change into. This will be my fifth year supporting this and I have always had an amazing response/support from the people of Longford and surrounding villages. The pyjamas can be age birth up to and including 18 years old and must be brand new. They are distributed between Derby Royal Children's Hospital and the Children's ward at Burton Hospital. I will be opening up the Pump Room between 8.30am and 1pm on Wednesday 14th October for donations. Alternatively, they can be dropped at my house, 2 Longford Lane, or I am happy to collect. Drop offs at my house are welcome anytime.

Thank you in advance for your continued support.

Ringin' The Changes!

The Clock Change Ringers are a group of 20 ringers from all over the country who go out every March and October when the clocks change for a long weekend of ringing church bells!

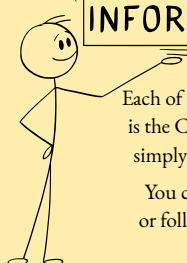

This year they will be ringing the bells at St Chad's, Longford on Saturday 25th October at approximately 9.40am for half an hour or so.

The clocks will go back by one hour at 2am on Sunday 26th October marking our return to Greenwich Mean Time.
