Mission Focus – ORCHARD PROJECT

Orchid Project is a UK-based NGO that is catalysing the global movement to end female genital cutting (FGC). FGC is a human rights violation that harms the lives of girls, women and their communities. We partner with trailblazing grassroots organisations around the world, and share knowledge and best practice to accelerate change. We also advocate among governments and global leaders to ensure work to end FGC is prioritised.

Prayer for the community

Living God,
Draw us deeper into your love;
Jesus our Lord,
Send us to care and serve;
Holy Spirit,
Make us heralds of good news.
Stir us, strengthen us, teach and inspire us to live your love
with generosity and joy,
imagination and courage;
for the sake of your world and in the name of Jesus. Amen.
