

News on Angel – the pupil we sponsor at Bunda Girls' Secondary School

Literal translation from Tupone Mwamasage, Head Teacher of Bunda Girls' Secondary School:

Praise the Lord!

Thank you for your greetings. We are going on well with the challenge of the elections; we thank God we and the students are well.

Thank you for your love to us; God bless you. Angel is doing well in her studies and we trust that she will have good success in her final exams which start on 17th November. Please continue to pray that all our students will be successful. Angel, after finishing Standard 4, expects to join Standard 5. Please keep on with your vision of supporting her until she achieves her dreams.

The family of BGSS loves and prays for you.
