

My dear friends,

It was when life was at its darkest and most dangerous that Jesus was born, amidst political unrest and social unease.

His birth brought a whisper of hope of a different way of valuing each other and living together in the world, more united with one another and with our Creator God.

May His presence similarly pierce the darkness and danger so many are experiencing in the world of today and may hope be kindled in hearts, minds and imaginations, in others and in ourselves, in 2026.

With blessings and best wishes,

Jeff Hopkin Williams
Vicar of St. Mary's Twickenham
