

Hadfield and Padfield Churches Together - Christmas Trail 2025

The characters in the Christmas story are visiting Hadfield! Your job is to find them all and find out what their names are. Each character has decided to visit one of the shops in Station Road, so you will need to visit each shop and ask what the name of their character is. Write the names down next to each shop and character. When you have completed your list you can bring it to any of the churches on or after December 18th - a list of churches and when they are open is overleaf. If you have got all the names right you will receive a prize.

Please note that some of the shops might be quite busy so be polite and wait your turn until you can talk to one of the staff. Also, some shops are closed on particular days of the week.
