Dear Friends,

It's that time of year when the days are getting shorter, the temperature is dropping the woollens are coming out and the heaters are on. I have mixed feelings about this. The loss of daylight affects a lot of us: we start to feel sluggish. We may fear the cold (and its impact on our bills). There's also the promise of the beauty of winter; those bright, crisp days where the sun hits the frost, the bright berries on the trees, and the more loyal birds staying with us! And of course, Christmas is on the way. But first, we pause. We slow down with nature (for we are creatures ourselves). Late Autumn is a time for a stocktake – what do we have stored up in our larders for the winter (and what can we share through community larders) and what spiritual resources do we have stored up within ourselves? As Jesus said, "The Kingdom of God is within." Let's take time to learn what this means, and resolve to draw on God's nourishing, sustaining presence through the winter.

A little bit of Scripture:

⁶ And now, just as you accepted Christ Jesus as your Lord, you must continue to follow him. ⁷ Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness.

Colossians 2:6-7
