November 2025

My dear friends,

This edition rather than crept has leaped up at me after a very busy week—you'll be pleased to know that this will therefore be short.

I am about to head off to shopping before the Parish Lunch and in advance thank you to those who will spend tomorrow preparing for it. Next comes the reminder that your popping in to the Winter Wonderland next Saturday (Nov. 29th) would be much appreciated by those who have worked so hard for this major fundraising event.

It will then be full steam ahead for the Christmass Celebrations which include 6 School Nativities and presentations from our own, Fairlight and Elm Grove Schools. These are always joyful and I am grateful that Ange is often around opening up for them and their rehearsals as early as 9am in the morning.

Full details of the Christmass Liturgies will appear on the Sunday Bulletin.

Fr. Andrew, Fr. Nick and Fr. Robert join me in wishing you all a Blessed Christmass and if you are travelling to be with loved ones a safe journey.

With my love and prayers,

Our Lady of Guadalupe

Our Lady of Guadalupe is a title for the Virgin Mary, referring to a Marian apparition in Mexico in December 1531. According to tradition, Mary appeared to an indigenous Aztec man named Juan Diego and asked him to have a shrine built on Tepeyac Hill.
