St Michaels School. Foundation Governor Vacancy

There is a vacancy for a Foundation Governor. The post of a Foundation Governor (appointed by the St Michaels PCC) is to preserve and develop the school's religious ethos as well as working within the Governing Body in setting the school's vision, aims and objectives. Governors work closely with the Headteacher to provide the best experiences for the children in their care.

If you are interested in this exciting position and would like to know more about the role of a School Governor, please get in touch with me. Applicants will be asked to write a short resume of why they would like to be considered for the post and what skills/knowledge they would offer.

Please note that any applications need to be received by January 10th
