## Are you prepared for Christmas?

Coming up to Christmas I find myself preparing for services, community events, and the big day itself. I make the time to go into town for Christmas shopping, to visit those I haven't seen in a while and to put up decorations.

December can feel like a rather daunting month. Although we may look forward to everything that happens in December sometimes the to do list of preparation can feel overwhelming. It can be a wonder as to how we manage to fit everything in and find the time to prepare in our already busy lives. Christmas doesn't just happen, it needs time, effort and planning to be able to enjoy and celebrate.

Despite all the hard work, the additional stress and the seemingly never ending to do list, Christmas, and all that it brings, can be wonderful. We spend time with loved ones, embrace the festive celebrations and indulge in special food. It can make all our hard work and preparation worth it, even if we sometimes lose sight of that in the build-up.

God and faith are not different. A strong faith, trust in God and everything that brings doesn't just happen overnight. It takes preparation, time and effort. It's easy to think that we don't have time. Many of us lead busy lives and it can seem a daunting task to fit in even more. Yet, in December we manage. We prioritise the planning and preparing for Christmas, to whatever level suits us. We spend the whole month (and maybe even longer for those organised people!) preparing to celebrate Christmas in all its glory.

Imagine what could happen if we prepared ourselves spiritually to receive God's love as much as we prepare for Christmas. The gift that comes from God's love is so much more wonderful, everlasting and impactful than one day in December. How would our lives be changed if we could find the time in our busy schedules to welcome God into our hearts and home throughout the whole year, not just one month?

So, in our preparations for Christmas, make note of how much time and effort is required. How much effort goes into making such joyous celebrations, how much time we're able to give for others, how wonderful it is to feel the love and light all around us, and be able to share that with our loved ones. Remember how wonderful Christmas is and how much we have to prepare. And I hope during Advent and going forward into next year, we will put time and effort in preparing to receive God's presence and love, with the same dedication and

priority that we give to Christmas. May we all have a Wonderful Christmas and a Happy New Year.

## **Goldies Sing-Along Social Group at Downton Memorial Hall**

Goldies takes place upstairs at **Downton Memorial Hall** on the **4<sup>th</sup> Wednesday of the month from 10.00 am**, led by Carole Still. Walk down the side of the Hall and enter through the door on the left.

At Goldies we chat and laugh with friends, whilst singing along to the hits of the 50's onwards, with artists such as Sir Cliff Richard, Tom Jones, Elvis, Dusty Springfield, Petula Clark and many more. Goldies is not a choir, you don't have to be able to sing to join, just love music and socialising.

Goldies Sing & Smile sessions are open to everyone but particularly aim to reduce isolation with older adults. We ask for a £3 donation to attend.

For further information go to the website: [www.golden-oldies.org.uk](http://www.golden-oldies.org.uk)

Or ring Carole Still on 01722 337880

## **Downton Horticultural Society**

We will be holding our AGM in the Memorial Hall at 7.30 pm on Thursday 27<sup>th</sup> Our Floral Art demonstration during October was wonderful and well attended. Local NAFAS demonstrator, Andrea Hiilyard, supported by her family, created four magnificent arrangements while telling us about her time as a florist in Southampton. This included stories of providing bouquets for Valentine's Day, when she ordered in one thousand red roses, and how she did arrangements for a yacht being used to transport our late Queen. She also explained the background to her brussel sprout wreath which she created for her daughter who posted a picture of it on social media. The post went viral and resulted in Andrea being interviewed on TV. At the end of the evening the arrangements became the prizes in the raffle but the winners had some difficulty choosing which one to take home.

The committee are now busy planning next year's events. Also, please look out for our contribution to the Christmas Tree Festival in St Laurence Church.

## Downton Parish Council News

What a beautiful autumn, golden leaves everywhere, apples and blackberries galore! There has been lots of free fruit around, even quinces which make lovely jelly and can be used wherever apples are used. The trees around the Parish which form part of the Kings Coronation grant are thriving (apart from a couple which will be replaced) despite the dry summer

- Our Parish Steward Steve is busy shovelling, unblocking, weeding and doing all sorts of jobs around the Parish, his next visit this year will be December 9 so please let me know if anything needs doing
- DPC is making sure our Parish is winter ready and resilient, Flood Wardens will be getting together, and Wiltshire will continue to keep an eye and clear our gullies
- Not only has DPC secured funding for the Wooden Spoon crossing improvements but now have approval and funding from Wiltshire Council Local Highways Footpath Improvement Grant for road safety improvements to the Tannery pinch point. There will be 11 points around the village that have been selected for traffic surveys, forming accurate evidence-based data on vehicle numbers, size and speed
- Some sad news: A local eagle-eyed tree surveyor who walks his child to school spotted a tree fungus on one of the beautiful Beeches in the Memorial Gardens. This will have to be felled. The good news is that DPC have applied for an Oak at 80, celebrating 80 years since VE Day and our grant application has been approved. This Oak will take pride of place in the Memorial Gardens.
- You may be wondering where our Speed Indicator Device (SID) is – DPC now have a dedicated SID which will work off solar power, plus the SID shared with Redlynch will also work off solar power which means the volunteers will not have to change heavy batteries so often
- If Downton Parish residents are experiencing anti-social behaviour or any crime or disturbance, it is VITAL to report this to our local Police. The Police do NOT respond to crimes reported on Facebook.  
In an emergency always dial 999 if: there is an immediate danger to life, someone is using violence or is threatening to be violent, a crime is happening right now, like a house burglary or a theft, the suspect is still at the scene
- If the problem is a non-emergency, then dial 101: if you are experiencing anti-social behaviour, door knocking etc.

**Our local PC is Marc Evans, and our local police can be reached through dialling 101, or his mobile 07876 817927 which is active when PC Marc is on duty**

The Parish Council meetings are held on the **second Monday of the month in the Bonvalot Room in the Downton Memorial Centre. Meetings start at 7pm.**

There is always a public question time at the beginning of the meeting, so do come along and have your say. **It is YOUR Parish after all!**

Susan Parsons is the Administrative Officer for the Parish Council. She can be contacted on **Tuesdays, Wednesdays and Thursdays 07483 344035**

**admin@downtonparishcouncil.gov.uk** Where appropriate, she may redirect queries to Councillors or the Parish Clerk.

### Pinocchio

**Friday 9th January at Downton Memorial Hall, 6.30pm (doors open 5.45pm)**

The Travelling Players (Forest Forge, Bumblefly and Mischievous Theatre) are returning with another thrilling festive show. This year, they bring their quirky storytelling, song, merriment, and mischief to the wonderful misadventures of Pinocchio—the story of a wooden marionette who longs to become a real boy.

With a nose that grows at every fib, Pinocchio is naïve, stubborn, thoughtless, and all too easily led. Join him as he falls in with the rascally Fox, gasp as he soars on the back of a pigeon, marvel as he is swallowed by a giant shark, doubt as he plants gold coins in the hope they will grow, and wonder as he is turned into a donkey... but will he ever become a real boy?

We promise live action, music, surprises, a puppet or two, plenty of laughs, and a thoroughly enjoyable, unforgettable adventure! **For the whole family!**

Refreshments and licensed bar available.

**Tickets:** Adults £10, Children (under 16) £5, available from 1st December, from the Borough Cafe (cash only). Alternatively you can text either 07760 415818 or 07545 598887 giving details of tickets required (pay by BACS).

All profits will go towards the refurbishment of the Memorial Hall kitchen.

## Forest Edge Flower Arranging Society (FEFAS)

Our November meeting was an ikebana workshop led by Miyuki who is an ikebana master of Ohara School. She gave us an insight into the art of Japanese flower arranging, followed by a demonstration of a couple of simple, yet elegant designs, 'Inclining form' and 'Moribana slanting style'. Everyone had a go at creating their own ikebana! You can view their ikebana masterpieces from the following

Please save the date on 8th December for a Christmas floral demonstration by Graham King. You will enjoy festive blooms, creative arrangements, and joyful inspiration to brighten your holiday season. Come relax, learn, and celebrate the magic of Christmas flowers together. Refreshments from 7 pm followed by a demonstration at 7.30 pm. Do join us and bring your friend(s)! Non-members are welcome (£8 door fee including refreshments).

All meetings/events are held at Morgans Vale & Woodfalls Village Hall, Woodfalls (SP5 2LD). A full programme for 2025/26 is available from the weblink <https://tinyurl.com/FEFAS2025> and on the notice board in the hall, and on our Facebook group.

## **Redlynch & District W.I.**

December begins with our trip to Winchester on the 3<sup>rd</sup>, followed by our Christmas meeting on the 9<sup>th</sup>, so lots to look forward to. Lucinda who is our speaker this month, has hinted that she will be bringing along something for us all to attempt so those with artistic leanings will be in their element and the rest of us can have fun trying?

The old tree in the cemetery has been removed and the new W.I tree will soon be planted, hopefully bringing comfort and succour for many years to come.

We welcome everybody to our meetings and your visit is free so do come along. November 's meeting was early this month, so I can report that all our members have gained weight as we were lucky enough to have Michael from Lyburn Cheeses along to tell us about its beginnings and it's enormous growth. He kindly brought along some tasters of his most popular varieties, so we were able to munch along as he spoke, which explains our weight gain!?

The Winchester trip timings are 9.30 departure from M.V.Village Hall and 4.30 p.m. departure from Winchester. There are still a couple of tickets left at £18. Info from Sandra on 07901717949.

Monthly meetings begin at 2pm in Morgans Vale Village Hall on the second Wednesday of each month. Just turn up - there's always tea and cake! For any further information, contact Ann Kelly on 078438994.

### **Redlynch and District Local History Society**

Our October talk was "The History of Communications" by ex-Royal Corps of Signals Our November talk was given by Graham Bathe focusing on the early use of bricks in Wiltshire, Despite the use of bricks in the Middle East as long as 12,000 years ago, bricks did not become established in Britain until the mid 16thC. Early use of bricks was limited to ovens and chimneys, for example on the Mary Rose, to protect the flammable surroundings. Another early use was for water courses. Tiles were recognised for flooring and used in Clarendon Palace for example. The problem with bricks was that they were very expensive compared to other building materials. Bricks require suitable clay, a binding agent such as sand, water and large amounts of fuel; in areas without these factors one would have to import heavy brick loads further increasing the cost. A further problem was the lack of skilled labour to make and lay the bricks.

Renaissance Europe adopted bricks and impressive buildings were constructed, these were seen by travelling British gentry and military officers and brick buildings became the "must have" for the ambitious and well to do. The most famous example is Hampton Court which featured functioning water and sewage systems, and another early example is Layer Marney in Essex. Wolf Hall, home to the Seymour family, was greatly enlarged in 1531, bricks were extensively used particularly for the sewerage tunnels below ground which are still there. The birth of Edward 6<sup>th</sup>, the only male heir to Henry 8<sup>th</sup> led to great wealth via the Lord Protector (uncle) Edward Seymour, the Duke of Somerset. Seymour instructed his "servant" John Thymme to build three brick houses: Somerset House in London, Syon Park on the Thames and "The Brailes" to replace Wolf Hall.

The Brailes was south of Great Bedwyn and east of Wolf Hall. Little remains apart from a water ditch which on excavation revealed a fresh water brick channel 15 feet below ground level. Documents have revealed the effort and expense required this including the hiring of European brick makers and layers in 1556. On Edwards death the work ceased and The Brailes was never completed, however by that time the skills required for bricks and brick works were established. The advantage of regular sized building blocks and the speed of construction had also now been recognised.

Our next talk is at 7:30pm at Morgans Vale & Woodfalls Village Hall on Tuesday 2<sup>nd</sup> December entitled "The Duke of Monmouth – how his head was turned and lost" by Jacqueline and Brian Sutton. Our local history link is Alice Lisle.

### Redlynch Players Backstage News

#### Christmas Concert 2025

Do join us! Our annual Christmas Concert, in collaboration with our friends, Fordingbridge Choral Society, takes place on Sunday 14<sup>th</sup> December at 6pm in St Mary's Church, Redlynch. Held in aid of a cause close to our heart, Young Lives Versus Cancer, this special evening is always a popular time to enjoy listening to Christmas readings and join the choir with singing some all-time favourite carols. Mulled wine and mince pies will be served following the concert so do come and get festive!

No tickets or but there will be a retiring collection in aid of Young Lives Vs Cancer.

#### Two - Autumn Production 2025

Thank you for your support for our Autumn production, Two by Jim Cartwright. Tickets sold out early for the run and we loved welcoming you to The Redlynch Tap!

More details will follow in our January edition when we will also be thinking about our next production!

#### Spring Production 2026 – would you like to join us?

We will begin rehearsals for our Spring Production in the New Year. It is the perfect time to join us as we embark on the exciting journey of lifting the words from the page to create a play for you! Please do get in touch if you'd like to know more

about taking part in any way. We have plenty of roles both on and off stage to suit beginners and the experienced.

*Finally, may I wish you all a wonderful, blessed Christmas and a peaceful New Year from all at Redlynch Players. Thank you for your support throughout this year – it's been another fantastic one!*

### **A Plea to All in Downton**

There are often stories in the media of bus services ending or being cut back. Particularly for people with out cars this can cause problems getting out and about. Although there has been no indications of possible cutbacks in buses serving Downton this must be a concern for the future. While the X3 service between Salisbury Railway Station and Bournemouth generally runs half-hourly in both directions and is convenient for people living in the bottom of the village, it is of relatively little use for those living in High Street, Moot Lane, Barford Lane etc.

Meanwhile, the 44 buses which serve the whole village, and also go via Salisbury Hospital, only run every 90 minutes. At various times of the day they often have very few passengers when they go up or down Lode Hill. It is therefore important that people make use of these buses to ensure they are never withdrawn, as some years ago they used to run every 40 minutes.

Therefore, a plea, please use the 44 as much as possible!! Remember that currently single fares are capped at £3 by the Department of Transport and pensioners get free travel if they have a bus pass which is available from Wiltshire County Council.
