"Walking the good way"

Revd Jo writes....

Happy New Year! I hope that this coming year is full of blessings for you and for our parish.

You may have picked up that a verse from Psalm 46 has been very significant for me in the last year. 'Be still and know that I am God' (Psalm 46 verse 10) has spoken to me in many ways in recent months, and we've also been using it to guide us in some of our church decisions this last year. It's a helpful reminder that we have an ever faithful God who calls us to walk in the footsteps of Jesus, guided by the Holy Spirit. When we can't decide what to do, the answer is not to frantically rush around in our own strength trying to come up with the way forward. Instead, success lies in pausing, reflecting and looking for where God is in the situation and then, and only then, working out the best course of action. This is as true for us in our personal lives and in our families, friendship groups and communities, as it is in our

churches. For us to flourish, we need to walk in the way of God, keeping our eyes fixed on Jesus. This involves both taking time to 'be still' as well as time spent being active.

Our church council has agreed that the verse 'Be still and know that I am God' will be our Bible verse for the 2026, to rest in our hearts and minds and guide all of our decision making. However, this isn't saying that we will spend the year doing nothing! It means that we will make sure that we check out where God is in each situation we face and then make decisions to walk in his good way.

I've enjoying walking in the recent heavy snow - an excellent way after the excesses of Christmas to stretch my legs and blow away the cobwebs. However, in places, it was hard to see where the well-trodden paths were and several times I found that I'd strayed from the usual tracks and it was much harder to walk. This reminded me of some words from the prophet Jeremiah 'Stand at the crossroads and look, and ask for the ancient paths, where the good way lies, and walk in it.' In order to walk in the good way, there is a need to be still and look for God's guidance, even if just for a moment'. When we make this our regular practice, we will find ourselves naturally walking along the good ways, the ways of faith, hope, peace and love.

This New Year, may we all be inspired to look for the good ways where God is guiding us and receive God's richest blessings.

Wednesday mornings at St Leonard's Church, Malinslee

A new weekly event called 'Healthy bodies, healthy minds' is starting at St Leonard's on Wednesday mornings from 10.45 - 11.45am. All are welcome to our community drop in where there will be free refreshments, a friendly welcome and people to chat to.

Also present will be representatives from local organisations to give advice about your health, wellbeing and any other needs. We are working with Teldoc, Citizens Advice Bureau, housing groups, Mind, Telford & Wrekin Healthy Lifestyles, among others, to support local people, particularly to improve their wellbeing.

This will be launched on 21st January, so do drop in and say hello, enjoy some free hospitality and see what's going on. Please do spread the word, particularly to those who live in Malinslee.

The weekly Wednesday morning exercise class is also being promoted as part of this project, so if you would like to improve your fitness do come along to Malinslee Movers from 10.00am to 10.45am

Please do pray for this new venture. The district church council senses that this has very much come out of a time of being still and seeing where God is at work in Malinslee, and then responding by joining in with likeminded people who want people to flourish and experience life in all its fullness.

Parish Confirmation Service - Sunday 1st February 2026

Bishop Michael will be coming to St Mary, Ketley for our next Confirmation Service in the parish on Sunday 1st February at 10.30am.

Confirmation in the Church of England is a service where an individual, having been baptized, publicly affirms their Christian faith and the promises made on their behalf at baptism. Led by a bishop, the service involves the candidate renewing baptismal vows, the bishop laying hands on their head and anointing them with oil, and the congregation promising to support them. The ceremony marks a personal commitment to Christ and is often followed by receiving Holy Communion for the first time. So if you would like to start receiving the bread and wine at Holy Communion, or would like to confirm your faith, or just want to know more about Confirmation, please contact Revd Jo.
