Dear Friends,

There has been quite a bit of talk in the media in the past year about what has been called ‘The Quiet Revival’. This dates back to a report of that name produced by the Bible Society early last year. The report challenged the current assumption of Christian decline with stories (and statistics) suggesting that what is called Gen Z (pronounced the American way) – roughly, those in their teens and twenties – are much more open to faith than previous generations, and have been demonstrating this by turning up at church (and this is particularly so amongst young men).

There has been a pushback against this – one survey swallow doesn’t make a spiritual summer – and I must say that I started off being a bit sceptical myself. But over the past year I have been asking around and seeing whether clergy friends and colleagues around the country have seen any signs of the Quiet Revival. And I have been receiving lots of anecdotal evidence that suggests there might be something in it.

Indeed, you don’t have to go very far to see some evidence. In my work as Rural Dean of North Cambridge I see quite a lot of what is going on in the churches of our city. I happened to pop into two of them on a Sunday morning in the past few months and they were both full – including plenty of younger men. They haven’t always been so well attended. They both offer a distinctive ‘brand’ of Christianity – traditional in worship and using the Book of Common Prayer – but with incumbents who would regard themselves as mainstream Church of England. Other city centre (Anglican) churches have a distinctive evangelical and/or charismatic flavour, with much less formal worship. They too are growing, indeed overflowing.

Do we see any of this out in our three villages? The evidence is thinner, I have to say. We have had one or two younger people join us on Sunday mornings but it’s too soon and not enough data to say it’s a trend. But we did notice that most of our Christmas services this year were fuller than they have been for some time. Our carol service in Fen Ditton was packed and we were putting out seats as people arrived.

But our population is not as young as central Cambridge and so perhaps it's not surprising if it takes a while for the waves of the Quiet Revival to reach us. Are we ready for it? Perhaps what we can learn from the city is that the young value somewhere where they meet people in the flesh and form face-to-face relationships (as opposed to the online variety) in a spiritual context where there is a rich depth of belief and spiritual practice. They are not averse to undiluted worship, serious engagement with the Bible, a rich diet of prayer and deeply committed but open communities of faith.

Are we ready if the tide really is turning?

With warmest greetings

Nick

Besom Christmas hampers – thank you!

Besom were delighted to receive the contributions from the 3 parishes at the start of December. With a concentrated effort all the hampers were delivered 3 days later and will have brought Christmas cheer to over 80 needy households. Thank you all so much.

Lent

Lent begins during February. Ash Wednesday is on Wednesday 18th – there will be a service of Holy Communion with Ashes at 7.30pm that evening (in Fen Ditton). Our Lent course will begin the following Wednesday and we will be reading and reflecting on parts of St John's gospel with the help of David Ford's new book, 'Meeting God in John'.

New Life needs a new editor! Could it be you?

Nick writes:

We're sad to say that Kerry is stepping down as editor of *New Life* in the summer. We are so grateful to her for her excellent stewardship of our magazine over a good number of years now – including during Covid. But this means we are, of course, on the hunt for a replacement. Is this something you might consider? Kerry says that it takes her about 3–4 hours a month (mainly focused on the day(s) she is putting it all together). You would be well supported – not least in that the advertising, physical distribution and finances are all overseen by an experienced team. And all the material is provided one way or another so there's no writing involved (unless you would like to, of course). If you might be interested I'd be glad to have a no-commitment conversation, and Kerry would also be delighted to chat to anyone thinking about it.

St Peter's Horningsea: From beneath the floor to the top of the tower

This year we will start the project to make the access to the tower safe by replacing the ladder and adding balustrades and hand holds in the tower. We will also replace the whole of the floor in the north side of the church – where the floorboards and tiles have been damaged by the damp. This is a major project involving removing all the pews in the north side of the church so that the floor can be lifted, specialist damp proofing material can be laid and a new wooden floor can be put down. The Victorian tiles and pammments will be replaced, if they are broken or damaged beyond repair, or re-laid. The pillars which have been affected by the damp will be renovated. In the west end of the aisle there are two 10th C tomb lids which are surrounded by the Victorian tiles. It may be necessary to instruct archaeologists to look at what, if anything, is underneath these tomb lids. The whole project will cost about £130,000. The church has some funds, from events that have been organised in the last few years. The Friends of Horningsea Church will be able to make a contribution. We hope that the Diocesan Bell Ringers will make a contribution to replacing the ladder and enhancing the tower access. However, the largest sum of money will have to come from grants or loans from various grant giving bodies. We have an application for a Heritage Lottery grant for £100,000. Once we know the outcome of that application we will have to look at applying to other bodies. Meanwhile we will continue to fundraise and ask for donations. If you are willing or able to make a donation we would be so very grateful. Donations can be made directly to Horningsea PCC, Sort Code 30-91-74, Account Number 00755327. If you make a donation please add your surname and “project” as the reference. Please email the treasurer and confirm if you would like to “Gift Aid” your donation: horningsea@michaelandjane.org.uk.

You can also make a donation via the Parish Giving Scheme PGS ref: 42837 – ask the treasurer if you need more information about the way the scheme works.

Thank you for reading this and for supporting St Peter's Church. The church will remain open and usable for the three months that the work is expected to take.

And then the fun aspects of the project!

Once the work is complete there will be various events celebrating the Saxon and Viking history of the church – with a Viking re-enactment society coming to lead a fun re-enactment day during the summer. There will be a talk about the Saxon minster, an exhibition celebrating the 260th anniversary of the embroidered linen altar cloth (which is 10 years older than the United States of America, having been embroidered in 1766!), there may be a Teddy Bears' parachute jump ... there will be bell ringing open days ...

Keep your eyes open for all the planned events as the year moves on.

FEN DITTON GARDENING CLUB

The end of 2025 was a busy one for the members of the Fen Ditton Gardening Club.

We hosted an excellent educational talk on Tuesday 25th November. The subject was attracting Bees and Butterflies into your Garden and our speaker, Peter Jackson, provided clear guidance and presented a selection of plants you can add to your garden to help attract these beautiful insects. These included Winter Honeysuckle, Dwarf Daphne (potted) and dead Nettles. We had an informative Q&A and the following book was recommended if you wish to learn more about these fascinating pollinators: <https://www.nhbs.com/butterfly-conservation-the-warwickshire-approach-book>

Heading into December, we held our annual Christmas Party, which was a fun evening with food, drink and a popular quiz.

January saw the return of our monthly talks. On Tuesday 27th January we welcomed Charlotte Waters, who grew up in Fen Ditton and is now a Gardener. Charlotte talked about her work at Kings College throughout the year, focusing on various tasks they complete during the different seasons.

On Tuesday 24th February, we will be holding our first Fen Ditton Gardening Club Mixer. As a club, we have a wealth of gardening knowledge. One of our members will talk about soil types, the role of Mycorrhizal Fungi and soil conditioning. We will also be hosting a round table Q&A on the art of composting, as well as offer the opportunity for attendees to bring a small (jam jar sized) sample of their own soil to be tested for pH level, moisture and soil fertility.

Talks take place at Fen Ditton Village Hall. Doors open 7:15pm. Start at 7.30pm.

Guests welcome.

Hope to see you soon!

From the Fen Ditton Gardening Club Committee xx

We always welcome new members.

Members range from those with a passionate interest in gardening and allotment growing, to those who enjoy visiting gardens and coming to listen to our varied and interesting speakers.

We meet monthly (from October–April), on the fourth Tuesday of the month and listen to some varied and interesting speakers. All talks take place at Fen Ditton Village Hall. Doors open 7:15pm. Talks start at 7.30pm.

The programme changes during the summer months and includes weekend garden visits, a picnic and a plant sale.

Membership is **£10** for the year. This can be paid on the night of a talk in cash or via BACS in advance. Guest price on the night **£3**.

Dates for your diary:

Tuesday 27th January	Charlotte Waters: Kings College Gardens
Tuesday 24th February	Fen Ditton Gardening Club Mixer. Q&A on Soil and Compost

St Peter's Church says “thank you”

To everyone who contributed to make the Christmas services so special! – those who decorated the church with the candles; those who decorated the tree and donated it; those who sang and read at the carol service; those who took part in the Very Short Nativity (especially the grumpy innkeeper!); those who helped with refreshments at the Vocal Consort concert; and all those who came on Christmas Day! Major thanks too for those who dismantled the candles and put them all away before 6 January. The PCC is so grateful to you all and of course to all of the clergy team and Julian for everything they contributed. The collection taken at the Carol Service was shared with the Besom charity and they have been sent about £135. The Mary Muhr award for cultural contribution to the village of Horningsea was awarded to Margaret Starkie for the contribution she made to leading the Save Honey Hill campaign.

Memorial Stone in Horningsea Churchyard

When the weather is better it is planned to ask the stonemason to come and add names to the Memorial Stone in Horningsea Churchyard. If you would like the name of your loved one to be added to the stone please let one of the church wardens know so we can obtain costings from the stone mason.

New Archbishop of Canterbury

The Rt Revd and Rt Hon Dame Sarah Mullally DBE officially became Archbishop of Canterbury on 28th January 2026, when she was legally confirmed at St Paul's Cathedral.

As Bishop of London (installed in 2018), she led the Church of England's Living in Love and Faith process from 2020 to 2023. This included the formative stages of discernment and decision making which saw the introduction of the Prayers of Love and Faith for same-sex couples, discussed in previous editions of *New Life*.
